Anthony,

Just received a call from Liz (it's only 11am) that the town won't be finished today. That's awful early to be calling the day incomplete... almost as bad as CNN calling a State during the election at 7pm when the polls aren't even closed! Sooo, Republic should have all day to set us up for tomorrow, Saturday, so the trash doesn't sit all weekend and ruin yet another weekend for me. Please start working now on Saturday in Mansfield. Secondly, it's obvious by now, you guys can't finish a Friday which causes you to chase your tail the whole following week. Can we revisit the Monday run, hence cutting Friday in half. This my friend, is the definition of INSANITY!

Thank You,

Per our conversation a few minutes ago, we spoke of Route 68 and Georgetown/Wrightstown/Bordentown Road. PLEASE add Schoolhouse Road to that list, as they love to call me all weekend. I would say, they are the 3 big Friday complainer's.

Thanks!

Liz,

Thanks for the call, as usual, was on the other line. High probability of finishing up today is Great News! Kindly have someone reach out to me at end of day for a completion report. Thanks again, and have a great weekend.

Anthony,

Hope this email finds you and the family well. Just wanted to email in letting you know Gary Burns has been spectacular in working with me. Gary's communication skills in reaching out to me has been nothing but stellar. As I've said in the past, it's all about communication, Gary gets it! Yes, we still have blips in the system which is to be expected but Gary always gets it cleaned up quickly and again, communicates well. Not sure if you're his actual supervisor/boss or whatever but I'm very thankful for Gary!!

Be Well Anthony,

Please take a listen... I spoke with her and told her " My God, it's only 11:50am, give it some time already, they'll be there" Just don't want to make a liar out of myself so I thought I'd better send this over.

Thanks,
