May I politely request an update on trash pickup. I know only 70% was achieved yesterday with the rest to be picked up today but it does not seem like that is happening? Everybody that was missed yesterday is calling in today to see what is going on? Is there a truck in town recovering yesterday's trash?

Morning Mike

I'm up and out early for work.

It looks like the trash company failed to pick up the cul-de-sac on Fairmont Drive. The rest of the neighborhood looks to have been picked up on both Friday and Saturday.

I saw the truck in the cul-de-sac behind us on Saturday however it never came to our cul-de-sac. Any chance of having a contractor to come back before another week goes by would be appreciated.

Yes, per contract... Small tree limbs, Brush, and Twigs, cut down in size and bundled in small bundles. Called resident to see what was actually put out, he did follow the rules, but has since put the small bundles in his trunk and took them to the County. So all good on this one.
