All,

It is my understanding, Tuesday's when the gentleman are in Homestead for regular trash pickup, they should be picking up the few cans outside the Homestead Clubhouse. This is how it has been done, unless something has changed? I think with the new drivers and men working, they may not be aware of the cans sitting on the side of the Clubhouse that need to be grabbed as well. If I am correct in my thoughts, kindly let the guys know moving forward, as this has not been picked up in weeks.

May I politely request someone take a listen an email me back with an answer so I can let the resident know. To my understanding, a limb cut properly is considered legal for trash pickup, am I wrong?

Thank you,

Please take a listen and see if you can grab. This is the elder resident that F bombed me a few weeks back. Hopefully you can grab her so I don't have to listen to it all weekend.

Thanks!
