Subject: OPRA request - Emails communications between American Water to the City of Camden regarding its written staffing plan reports

Dear Camden City,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

I would like copies of all email communications between American Water and/or American Water contract services and Camden city government staff related to providing the city updated staffing plan reports over the last two years. (For example, an updated staffing report was recently provided to the city as demonstrated by this previous OPRA request: https://opramachine.com/request/copy_of_any_written_staffing_pla#incoming-35094)

Yours faithfully,

Camden Water User
