Good Evening Mr Leggio

I happened to come across a story regarding the towns dispute with Samrock Stables

Although I do not live in town... Given the fact they are an animal sanctuary and provide necessary..beneficial services for those with PTSD

PLEASE.... Let them continue on...In a world where good things..go away.. the vulnerable seem to be the ones to suffer the consequences...

I can't say it enough..PLEASE..let them be..let the Stable and the Harmless..Innocent Animals who are just as vulnerable as those they help..Continue to help

I hope that in some way my reaching out and appealing to you puts an end to this and helps everyone realize to leave a great thing alone

I thank you for allowing me to express my concerns and advocate for something positive and beneficial to society.. those with PTSD and animals

Warmest Regards

Brian C Hornak
