Good afternoon Mr. Andl,

Wanted to follow-up to see if you had some time this week or next week to meet. Let me know when you have a moment.

Thanks,

Robert

Good morning Mr. Andl,

This is Robert Corrales, Township Manager for Evesham. Hope all is well. As you may recall from your days as a Township Manager, Evesham is in the midst of preparing our 2023 budget and this year we, like many municipalities, are facing many challenges. Given the fact that the County's Economic, Development and Regional Planning Department falls within the Bridge Commission, I was wondering if you and your staff would be able to have a conversation with us to review what we have drafted thus far with our 2023 budget and see if there are any areas where the Bridge Commission may offer assistance. From the Township would be our CFO, our Financial Advisor Josh Nyikita (from Acacia Financial Group) and me. Please let me know at your earliest convenience if you and your staff would be able to meet and I'll have Joana from my office coordinate a date and time that works for everyone. We can meet either at your offices or here in Evesham. Thank you for the consideration and hope to hear from you soon.

All the best,

Robert
