Hello,

My name is Michael Volpe. I'm an investigative journalist and I run [this site](#)

I'm going to be doing a story on a lawsuit filed by Rachel Alintoff against the Monmouth County Prosecutor's Office and others. The lawsuit is attached. In the lawsuit, Ms. Alintoff alleges that your office ignored that her husband, Bryan Alintoff, was clearly violating a protective order and refused to enforce it or arrest him. Pertinent portion is below.

"When Plaintiff raised the allegation of sexual assault by the Defendant Bryan Alintoff against her, she was informed, incorrectly, that the statute of limitations had expired so that the Monmouth County Prosecutor's Office would not investigate the allegation. 68. When Plaintiff informed the Monmouth County Prosecutor's Office of abuse of Bryan Alintoff towards [REDACTED] the Prosecutor's Office failed to dedicate the proper resources to perform an investigation and no welfare check on H.A. was performed. 69. Plaintiff testified in the Grand Jury Proceedings, but without preparation by anyone at the Monmouth County Prosecutor's Office, and without legal advice as to their legally required confidentiality. 70. The Monmouth County Prosecutor's Office, through Assistant Prosecutor Thomas Fichter, did not properly present full evidence of the interference with custody by the Defendant Bryan Alintoff as to H.A., and as a result the Grand Jury issued a determination of no bill."

I would like to speak to someone about these charges or possibly get a statement from your office about the lawsuit. Please let me know if there will be someone available.

In the lawsuit, Ms. Alintoff alleges that your office ignored that her husband, Bryan Alintoff, was clearly violating a protective order and refused to enforce it or arrest him. Pertinent portion is below.

"When Plaintiff raised the allegation of sexual assault by the Defendant Bryan Alintoff against her, she was informed, incorrectly, that the statute of limitations had expired so that the Monmouth County Prosecutor's Office would not investigate the allegation. 68. When Plaintiff informed the Monmouth County Prosecutor's Office of abuse of Bryan Alintoff towards [REDACTED], the Prosecutor's Office failed to dedicate the proper resources to perform an investigation and no welfare check on H.A. was performed. 69. Plaintiff testified in the Grand Jury Proceedings, but without preparation by anyone at the Monmouth County Prosecutor's Office, and without legal advice as to their legally required confidentiality. 70. The Monmouth County Prosecutor's Office, through Assistant Prosecutor Thomas Fichter, did not properly present full evidence of the interference with custody by the Defendant Bryan Alintoff as to H.A., and as a result the Grand Jury issued a determination of no bill."

I would like to speak to someone about these charges or possibly get a statement from your office about the lawsuit. Please let me know if there will be someone available.

Hello,

My name is Michael Volpe. I'm an investigative journalist and I run [this site](#)

I'm going to be doing a story on a lawsuit filed by Rachel Alintoff against the Monmouth County Prosecutor's Office and others. The lawsuit is attached. In the lawsuit, Ms. Alintoff alleges that your office ignored that her husband, Bryan Alintoff, was clearly violating a protective order and refused to enforce it or arrest him. Pertinent portion is below.

"When Plaintiff raised the allegation of sexual assault by the Defendant Bryan Alintoff against her, she was informed, incorrectly, that the statute of limitations had expired so that the Monmouth County Prosecutor's Office would not investigate the allegation. 68. When Plaintiff informed the Monmouth County Prosecutor's Office of abuse of Bryan Alintoff towards [REDACTED], the Prosecutor's Office failed to dedicate the proper resources to perform an investigation and no welfare check on H.A. was performed. 69. Plaintiff testified in the Grand Jury Proceedings, but without preparation by anyone at the Monmouth County Prosecutor's Office, and without legal advice as to their legally required confidentiality. 70. The Monmouth County Prosecutor's Office, through Assistant Prosecutor Thomas Fichter, did not properly present full evidence of the interference with custody by the Defendant Bryan Alintoff as to H.A., and as a result the Grand Jury issued a determination of no bill."

I would like to speak to someone about these charges or possibly get a statement from your office about the lawsuit. Please let me know if there will be someone available.

Dear Mr. Fichter and Detective Trucillo,

This is a reminder that I have yet to receive your formal complaint. In addition, I asked you on Monday to provide me with all documentation you have which supports your decision to call a grand jury. Since you did not send them to me, I will subpoena them.

Since one of Rachel's allegations is that [REDACTED] does not comprehend the circumstances of this situation, I have attached the records I received yesterday from his school. As the result of a meeting at [REDACTED].
[REDACTED]
[REDACTED]
[REDACTED]

I have attached all the records I received from [REDACTED] yesterday for your review. There are 5 documents. As soon as the audio record of yesterday's meeting between the school and I and the school and Rachel is available, I will submit them to you.

Since I did not get any response to my emails yesterday, please "confirm receipt" on every communication we have. In addition, "confirm receipt" that you received the 2 emails I sent yesterday.

Sincerely,

Bryan Alintoff

Mr. Loughrey,

I have enclosed all the documentation for the grand jury that I sent to Mr. Thomas Fichter between July 28, 2021 and August 31, 2021. (In the form of all emails, this is the first of many)

Thank you for reaching out to me yesterday, the conversation was certainly eye-opening. I am glad to see you are looking into this matter. I was a bit shocked to learn you had no idea I sent documentations to Mr. Fichter regarding Rachel and her lies and manipulations over the last 10 years. I understand I cannot subpoena documents, as you explained, however, that did not stop Mr. Fichter, telling me to submit my subpoena to Ms. Linskey. To date: Mr. Fichter never had the decency to reply "received" on any of the documentation I sent.

I appreciated the call as it seems that Mr. Fichter has not done his due diligence on this case. It appears that he took the word of a [REDACTED] and did not collect any statements from DCC&P, the [REDACTED]

[REDACTED]

[REDACTED], Judge Escandon, Judge Grasso-Jones, Judge Dalton, Judge Thorton, the Middletown Police Dept., or [REDACTED] therapist.

[REDACTED] by an angry and vindictive mother. Mr. Fichter appears complicit as he never did any investigation. [REDACTED] is deathly afraid of what will happen to us on account of his mother's lies. We live with this every day and [REDACTED] his mother's constant barrage of accusations and allegations and those that support her dangerous behavior. I strongly suggest you read all the material I provided. Clearly, Mr. Fichter did not.

Mr. Loughrey,

I have enclosed all the documentation for the grand jury that I sent to Mr. Thomas Fichter between July 28, 2021 and August 31, 2021. (In the form of all emails, this is the first of many)

Thank you for reaching out to me yesterday, the conversation was certainly eye-opening. I am glad to see you are looking into this matter. I was a bit shocked to learn you had no idea I sent documentations to Mr. Fichter regarding Rachel and her lies and manipulations over the last 10 years. I understand I cannot subpoena documents, as you explained, however, that did not stop Mr. Fichter, telling me to submit my subpoena to Ms. Linskey. To date: Mr. Fichter never had the decency to reply "received" on any of the documentation I sent.

I appreciated the call as it seems that Mr. Fichter has not done his due diligence on this case. It appears that he took the word of a [REDACTED] and did not collect any statements from DCC&P, the [REDACTED]

[REDACTED] school districts attorney), Mr. Armen McOmber (former [REDACTED] district attorney), Judge Escandon, Judge Grasso-Jones, Judge Dalton, Judge Thorton, the Middletown Police Dept., or [REDACTED] therapist.

[REDACTED] by an angry and vindictive mother. Mr. Fichter appears complicit as he never did any investigation. [REDACTED] is deathly afraid of what will happen to us on account of his mother's lies. We live with this every day and [REDACTED] to deal with his mother's constant barrage of

accusations and allegations and those that support her dangerous behavior. I strongly suggest you read all the material I provided. Clearly, Mr. Fichter did not.

Good morning Mr. Alintoff,

Thank you for providing the documentation which yesterday you stated you would. As I see you have copied Sgt. Murphy on this email string, I am forwarding them to Director Fichter and Det. Trucillo.

I just read some of your attachments but I will not read the majority of them. As I told you yesterday, I am starting a trial on September 13, 2021. Because of that, my days now are spent in preparation for the trial.

Thank you again for the paperwork you have provided this morning.

Subject: [EXTERNAL]Asking for a Criminal Order of Protection against Bryan Alintoff

Ms. Linskey,

Good afternoon.

This letter is to request a temporary Criminal Order of Protection be granted to me in NJ stating that Bryan Alintoff can not interfere with the current custody order in place
and that he may not harass me.

I spoke with Sherri Donovan this morning who is one of the top 10 attorneys in the United States protecting women in Domestic Violence cases and she has a speciality in representing [REDACTED] She is an officer of the court and aware of my entire situation both here in Brooklyn, NY and in Monmouth NJ. She has told me to reach out to you directly Ms. Linskey and to give you Ms. Donovan's personal cell phone number which is as follows: **917-723-1163**

Today Judge Waksberg extended my Order of Protection in New York until December 20th, despite Bryan asking for it to be thrown out.

The order is a civil Order of Protection not criminal and does not include Bryan's illegal actions in NJ of custodial interference.

Ms. Donovan and the Brooklyn DA's office agree that there is enough evidence to have granted a criminal order of protection for me based on the information

I have shown and provided to your office. [REDACTED] and a resident of NJ. This criminal order of protection I am asking you for will help protect him from being illegally withheld against the current court order and will hold Bryan Alintoff accountable if he illegally withholds our son again against the court-order.

Here is the website for Ms. Sherri Donovan. Her reputation is impeccable as both an advocate for DV victims and as an attorney.

Thank you.

Rachel Alintoff

Ms. Schwartz:

As we discussed in our initial meeting, the case is being presented on the interference of custody matters regarding the citizen complaints you filed. At that meeting you provided our office with documentation and if there are any other documents you did not provide, please bring them with you. Finally, please let us know the best time and number to contact you so we can set up a phone conference before the GJ date.

Mr. Fichter,

I have recieved the attached subpoena to appear on September 3rd.

In order to fully prepare, please inform me of what charges the Grand Jury is hearing against Bryan Alintoff.

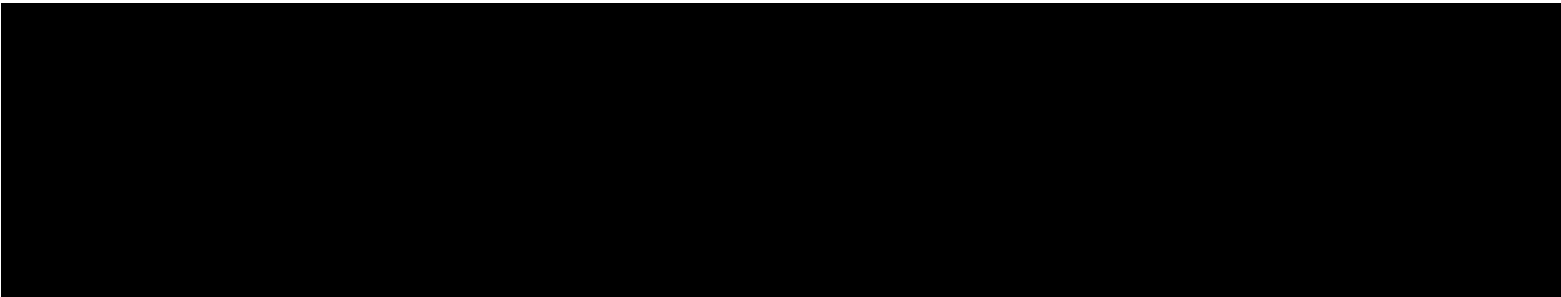

Also, I am in the address confidentiality program as a Domestic Violence victim and my old address appears on the subpoena.

PLEASE send me an updated subpoena with the following address for my protection and for my family's protection. Also, I would like to speak

to my assigned advocate prior to the Grand Jury hearing. I have yet to hear from her since our meeting in the Monmouth Prosecutor's office several months ago.

Thank you.

Also, what documents should I bring with me?

Subject: [EXTERNAL]Bryan Alintoff is trying to have a criminal case by Monmouth Prosecutor's Office in NJ taken over by a civil court Monmouth Courthouse with no jurisdiction for criminal actions - COLLUSION

This case is marked for the Grand Jury according to Mr. Fichter at the Monmouth Prosecutor's Office for this coming September/October 2021 as told to me and Mike Paul when we came in for a 2 hour meeting at the Monmouth Prosecutor's Office. Bryan Alintoff is trying to collude with Monmouth County Courthouse judges to circumvent a criminal investigation against him by the Monmouth County Prosecutor's Office. Also, Bryan is trying to use this motion to circumvent a judge's Order of Protection here in Brooklyn NY by asking a family court judge to change custody in the middle of the Brooklyn NY judge stating in the Order of Protection that : Bryan Alintoff can not ignore or mess with the current custody order.

It is illegal for a civil court to intervene in a criminal proceeding. Bryan Alintoff also ignored a medical court-order for over 2 years that has greatly had a negative impact on our [REDACTED] and Judge Dalton illegally removed [REDACTED] because she didn't like that Dr. Yuli Fradkin wrote letters to the court warning judges that Bryan does not understand [REDACTED]. Bryan Alintoff has a long history of Domestic Violence against me and against our [REDACTED]. I have a DV advocate assigned to me in Brooklyn NY, I am also in the address confidentiality program due to being assaulted by Bryan Alintoff and threatened verbally and in emails/text. I am a victim of a crime and have been assigned an advocate named Ms. Finlay from the Monmouth Prosecutor's Victim Crime's Unit. Ms. Finlay has not returned any of my emails or phone calls since our meeting in May 2021. Detective Trucillo has confirmed in writing that there is an open criminal investigation into Bryan's illegal actions of custodial interference and possibly parental kidnapping under NJ State Criminal Law.

I have audio recordings from [REDACTED]
What Bryan is doing is not healthy for your son"

I have audio from Proud Moments stating "The father is too difficult to work with and has blocked [REDACTED] at every turn. He is not listening to the licensed professional who assessed your [REDACTED]. He won't let us provide services even though it is court ordered"

My son is in danger. He is abused mentally, emotionally, physically, developmentally and medically by Bryan Alintoff. I have reported this abuse time and time again to the Monmouth Prosecutor's Office, to Judge Thornton and Judge Dalton and Judge Sheedy and Judge Linda Grasso Jones in Monmouth Courthouse to no avail because it is my belief that Bryan Alintoff

has paid off several judges in that courthouse including Judge Thornton directly. My son is in danger and the only way that Bryan knows how to control a situation is through Monmouth Courthouse where there have been pay offs because he is worried that the Monmouth Prosecutor's Office and a Brooklyn Judge have all seen his abuse and illegal actions and are questioning what the hell is going on to allow a father to have this much control and abusive power over an abused mother and [REDACTED]. The Brooklyn DA's Office is also watching and reading what is happening and so is the New York FBI and the NJ FBI. I am also speaking to the United States Department of Justice and they are investigating the case for review under the [REDACTED]

What Bryan has filed with Monmouth Courthouse during a time when my change of venue has not even been heard yet, should be looked at as a method of harassment.

Bryan is looking for Monmouth Courthouse to help him collude a favorable outcome in criminal court even though Monmouth civil courthouse - Family Division - has ZERO jurisdiction over this criminal investigation. His entire motion should be dismissed.

Hi Mr. Alintoff,

I am sorry that I did not see this sooner. We spend a good amount of time out in the field with our investigations. The answer to your previous question is not so simple. Our office is only involved because of the allegations made by Mrs. Alintoff of criminal wrongdoing. We are attempting to establish that there is no criminality in this matter. If that is in fact the case, these claims will need to be handled entirely in the Family Court, as a civil custody matter. Therefore, whether or not you want to bring your own attorney is totally a matter of what you feel comfortable with.

As far as meeting today, unfortunately, that will not be possible. Director Fichter would like to be present and he is not available. I will also be out of the office until the beginning of next week. Hopefully we can find a day at the beginning of next week to work around your schedule?

Thank you.

You are absolutely welcome to bring your attorney. If you would feel comfortable having him present then, by all means. This is not a target interview, merely a statement to memorialize your side of the allegations Rachael Alintoff is making regarding the safety and welfare of your son. This will be an official, legal document that will be presented to the court.

Also, Can you please provide me a good phone number for your attorney, Mr. Miller? Thank you.

Hi Mr. Alintoff,

I am sorry that I did not see this sooner. We spend a good amount of time out in the field with our investigations. The answer to your previous question is not so simple. Our office is only involved because of the allegations made by Mrs. Alintoff of criminal wrongdoing. We are attempting to establish that there is no criminality in this matter. If that is in fact the case, these claims will need to be handled entirely in the Family Court, as a civil custody matter. Therefore, whether or not you want to bring your own attorney is totally a matter of what you feel comfortable with.

As far as meeting today, unfortunately, that will not be possible. Director Fichter would like to be present and he is not available. I will also be out of the office until the beginning of next week. Hopefully we can find a day at the beginning of next week to work around your schedule?

Thank you.

Subject: Re: Monmouth Prosecutor's Office in New Jersey has "no concerns" for [REDACTED] who has been illegally withheld from his loving mother

Mr. Fichter.

On June 24th I wrote a letter to you stating that I did not know that whereabouts of my son and that I was extremely concerned for his well-being. It is attached again to this email. I told you that I had not heard from him and that his father, with a history of abuse, was concealing him from me. Furthermore, in the letter, I informed you that Mr. William Miller - an officer of the court - was not responding to my attorney's inquiries as to where my son is, what camp he is enrolled in (if any) and when Mr. Alintoff plans on letting me see my son again.

You had all this information for 5 FULL DAYS before I was forced to call and report my son missing to The National Center for Missing & Exploited Children due to lack of any response from your office whatsoever. It was not until The National Center for Missing & Exploited Children and the FBI was notified that my son was missing and being concealed from me for over 12 days that you sent someone to do a well-visit and even then, failed to tell me directly and I have to hear the news from Detective McGrath.

You say that "no concerns were reported" about visiting my son which I find alarming. My [REDACTED] has been illegally withheld from his loving mother who has 3 court orders that are currently being broken by Bryan Alintoff to the detriment and harm of my son [REDACTED] [REDACTED] - his father is blocking him illegally from these services which is medical neglect and child endangerment. Also, I have a court-order by a civil court judge that spells out my parenting time. Mr. Alintoff not only broke the court-ordered parenting time over and over and over again starting in March 2021, but he has most recently blocked, concealed, threatened, intimidated and used coercive control to keep my [REDACTED] from being with me during my court-ordered parenting time which is not only custodial interference, but also parental kidnapping. Just because you finally got around to looking for my child, does not mean that he was not illegally concealed from me for 12 days straight with NO WORD at all about his whereabouts.

Your title Mr. Fichter is Director of Special Victims Bureau, but you seem more interested in protecting Mr. Bryan Alintoff than you do in protecting an [REDACTED] who is not supposed to be at his father's home during my parenting time which was June 18th, June 19th, June 20th, June 21st, June 22nd, June 23rd, June 24th, June 25th, June 26th and June 27th. Just in this month alone I have missed and my son has missed 11 parenting days with me and he has missed several [REDACTED] which are medically court-ordered. In total as of today - Bryan Alintoff has illegally withheld [REDACTED] from me against a court-order for 31 days since March 2021. In April, you dismissed the investigation totally and then told me in our meeting on June 21st that you decided to re-open it because there is more evidence now and you are going to put a Grand Jury together for September or October. You stating that is declaration that Bryan Alintoff has committed a crime or several crimes.

For you to write that there are "no concerns" is tone-deaf to a young victim's needs and absolutely tone-deaf to a [REDACTED] needing his loving mother, stability in schedule, security, not to be a victim of coercive control by his father, not to miss urgent court-ordered medical therapies for his [REDACTED]. It is also tone-deaf to the fact that [REDACTED] is currently with someone who has committed several crimes against his mother and who has violated the Order of Protection by using our [REDACTED] a weapon to alarm, harass, control, frighten, and emotionally injure [REDACTED] mother. My son is with someone who has gone out of his way to illegally keep [REDACTED] from me and from his medically-court-ordered [REDACTED] so do not tell me that "no concerns" were found. That is abhorrently inaccurate and white-washing this entire criminal situation.

Everyone outside of your office is alarmed and concerned for the well-being of my [REDACTED]. Every agency I have contacted has taken immediate and serious actions to investigate and to follow-up on the Monmouth Prosecutor's inaction. I told you when I met in your office that I believed there to be bias against me by Monmouth County because I have spoken out against many corrupt judges. Judge Justus works in your office who I spoke out against in the press and media after Tamara Seidle was murdered due to Judge Justus refusing her an order of protection. If you can not handle these crimes being committed by Bryan Alintoff without bias against me for speaking out against corruption in your county, you need to let me know so that another Prosecutor's Office can handle this situation with professionalism and without bias. The public trust is not with your office and a lot of people (many who are in law enforcement) who are viewing your investigation are questioning why you have not arrested Bryan Alintoff yet with all the evidence you have. The public will want to know why Bryan Alintoff has been allowed to continue illegally withholding an [REDACTED] from his medical services and from his mother for months on end while your office first rejected my criminal complaints from March and April in 2021, but then accepted the criminal complaint in June after numerous complaints were filed with your office by me in May 2021. If you had acted back in March 2021 when I first brought this to your attention, this would not be happening now. Your office has allowed these crimes by Bryan Alintoff to continue and in fact, by dismissing my original criminal complaints, you emboldened and gave Bryan Alintoff permission to continue to break civil court-orders because he knew there would be no consequences for custodial interference and no consequences for parental kidnapping after you dismissed my first complaints in March and April 2021.

[REDACTED] Do not write to me again as a victim of a crime and as a domestic violence survivor and tell me that my son who is currently with his abuser is fine and that you have "no concerns" That is inappropriate, untrue and shows you have zero understanding of what emotional, mental, medical and developmental abuse looks like or feels like to an [REDACTED] You have left my son in the home of an abuser who has broken several court-orders and has committed criminal acts in accordance with NJ state laws and NJ statutes.

Subject: [EXTERNAL]When did you have contact with Bryan Alintoff and my son, [REDACTED]

Mr. Fichter and Detective Trucillo,

As you are well aware since yesterday, I filed a report with the **The National Center for Missing & Exploited Children**.

They opened up a case, collected images of [REDACTED] and gave me a case file number.

I have not slept in days and I have been begging your office to let me know if my son is o.k. AND if you have found a registered firearm

belonging to Bryan Alintoff which was promised to me by Mr. Fichter over 12 days ago. To find out from Detective Daniel McGrath that you have

known the whereabouts of my son and you say that he is safe and you know the whereabouts of Bryan Alintoff and you never thought to **immediately**

inform me - the mother and victim of these criminal acts - is very very disturbing.

This is not a joke and even if you have an ongoing investigation, there is no reason to not inform me that you have located my [REDACTED]

I should have been made aware of this **minutes** after you knew where he was.

Before I inform The National Center for Missing & Exploited Children of this update, I need to know EXACTLY when you last spoke to Bryan Alintoff and if you saw my son, or if it was just told to you over the phone by

Bryan Alintoff that [REDACTED] is o.k. I need to know because in the past 2 weeks, Bryan Alintoff's attorney will not respond to my attorney even though he is an officer of the court and required by law to respond to these criminal matters, Bryan sold his home in Long Branch New Jersey only a little while ago which is highly suspicious, Bryan canceled a school meeting for [REDACTED] in September with no new date for that meeting and I can not reach my son via phone, messaging or through Bryan Alintoff's attorney, Mr. William Miller. My attorney has written to him many times with zero response.

The fact that the Brooklyn DA's office, members of New York law enforcement, the Department of Justice and The National Center for Missing & Exploited Children have to become involved to this extent for me to even get MINIMAL answers about my child's well-fare is not only unprofessional, it is DANGEROUS and highly suspect.

Out of respect for all of the law enforcement agencies - including the FBI, that are now following this parental kidnapping, custodial interference, medical neglect and violations to the current Order of Protection, it is important that I am kept updated on the health and well-being of my child. He is [REDACTED] and without services, he has been withheld illegally from his mother, his younger brother, his friends and family here in Brooklyn and his [REDACTED] [REDACTED]

I have not slept or eaten while I sit here worrying about my son's whereabouts and you have known for a while that he is in the State of New Jersey and never thought to inform or update me until Detective Daniel McGrath called you to question the case out of his concern for the victims involved.

Your lack of communication with me is a total disregard for victim's rights. Where is the victim advocate who has been assigned to my case?

Please inform me the moment you receive this email of exactly when and how you spoke to or met with my son and how you can ensure that he is safe and **not in emotional, physical or mental distress?**

Detective Daniel McGrath has informed me that you promised him you will contact me tomorrow. I will be expecting your call.

Mr. Fichter,

son is, what camp he is enrolled in (if any) and when Mr. Alintoff plans on letting me see my son again.

You had all this information for 5 FULL DAYS before I was forced to call and report my son missing to The National Center for Missing & Exploited Children due to lack of any response from your office whatsoever. It was not until The National Center for Missing & Exploited Children and the FBI was notified that my son was missing and being concealed from me for over 12 days that you sent someone to do a well-visit and even then, failed to tell me directly and I have to hear the news from Detective McGrath.

You say that "no concerns were reported" about visiting my son which I find alarming. My [REDACTED] has been illegally withheld from his loving mother who has 3 court orders that are currently being broken by Bryan Alintoff to the detriment and harm of my son [REDACTED] [REDACTED]. He is in [REDACTED] father is blocking him illegally from these [REDACTED]

services which is medical neglect and child endangerment. Also, I have a court-order by a civil court judge that spells out my parenting time. Mr. Alintoff not only broke the court-ordered parenting time over and over and over again starting in March 2021, but he has most recently blocked, concealed, threatened, intimidated and used coercive control to keep my [REDACTED] being with me during my court-ordered parenting time which is not only custodial interference, but also parental kidnapping. Just because you finally got around to looking for my child, does not mean that he was not illegally concealed from me for 12 days straight with NO WORD at all about his whereabouts.

On June 24th I wrote a letter to you stating that I did not know that whereabouts of my son and that I was extremely concerned for his well-being. It is attached again to this email. I told you that I had not heard from him and that his father, with a history of abuse, was concealing him from me. Subject: [EXTERNAL]When did you have contact with Bryan Alintoff and my son, [REDACTED]

Mr. Fichter and Detective Trucillo,

As you are well aware since yesterday, I filed a report with the **The National Center for Missing & Exploited Children.**

They opened up a case, collected images of [REDACTED] and gave me a case file number.

I have not slept in days and I have been begging your office to let me know if my son is o.k. AND if you have found a registered firearm

belonging to Bryan Alintoff which was promised to me by Mr. Fichter over 12 days ago. To find out from Detective Daniel McGrath that you have

known the whereabouts of my son and you say that he is safe and you know the whereabouts of Bryan Alintoff and you never thought to **immediately**

inform me - the mother and victim of these criminal acts - is very very disturbing.

This is not a joke and even if you have an ongoing investigation, there is no reason to not inform me that you have located my [REDACTED]

I should have been made aware of this **minutes** after you knew where he was.

Before I inform The National Center for Missing & Exploited Children of this update, I need to know EXACTLY when you last spoke to Bryan Alintoff and if you saw my son, or if it was just told to you over the phone by Bryan Alintoff that [REDACTED] is o.k. I need to know because in the past 2 weeks, Bryan Alintoff's attorney will not respond to my attorney even though he is an officer of the court and required by law to respond to these criminal matters, Bryan sold his home in Long Branch New Jersey only a little while ago which is highly suspicious, Bryan canceled a school meeting for [REDACTED] [REDACTED] September with no new date for that meeting and I can not reach my son via phone, messaging or through Bryan Alintoff's attorney, Mr. William Miller. My attorney has written to him many times with zero response.

The fact that the Brooklyn DA's office, members of New York law enforcement, the Department of Justice and The National Center for Missing & Exploited Children have to become involved to this extent for me to even get MINIMAL answers about my child's well-fare is not only unprofessional, it is DANGEROUS and highly suspect. Out of respect for all of the law enforcement agencies - including the FBI, that are now following this parental kidnapping, custodial interference, medical neglect and violations to the current Order of Protection, it is important that I am kept updated on the health and well-being of my child. He is [REDACTED] and without services, he has been withheld illegally from his mother, his younger brother, his friends and family here in Brooklyn and his [REDACTED].

I have not slept or eaten while I sit here worrying about my son's whereabouts and you have known for a while that he is in the State of New Jersey and never thought to inform or update me until Detective Daniel McGrath called you to question the case out of his concern for the victims involved.

Your lack of communication with me is a total disregard for victim's rights. Where is the victim advocate who has been assigned to my case?

Please inform me the moment you receive this email of exactly when and how you spoke to or met with my son and how you can ensure that he is safe and **not in emotional, physical or mental distress?**

Detective Daniel McGrath has informed me that you promised him you will contact me tomorrow. I will be expecting your call.

Subject: Re: Monmouth Prosecutor's Office in New Jersey has "no concerns" for [REDACTED] who has been illegally withheld from his loving mother

Mr. Fichter,

On June 24th I wrote a letter to you stating that I did not know that whereabouts of my son and that I was extremely concerned for his well-being.

It is attached again to this email. I told you that I had not heard from him and that his father, with a history of abuse, was concealing him from me.

Furthermore, in the letter, I informed you that Mr. William Miller - an officer of the court - was not responding to my attorney's inquiries as to where my son is, what camp he is enrolled in (if any) and when Mr. Alintoff plans on letting me see my son again.

You had all this information for 5 FULL DAYS before I was forced to call and report my son missing to The National Center for Missing & Exploited Children due to lack of any response from your office whatsoever. It was not until The National Center for Missing & Exploited Children and the FBI was notified that my son was missing and being concealed from me for over 12 days that you sent someone to do a well-visit and even then, failed to tell me directly and I have to hear the news from Detective McGrath.

You say that "no concerns were reported" about visiting my son which I find alarming. My [REDACTED] has been illegally withheld from his loving mother who has 3 court orders that are currently being broken by Bryan Alintoff to the detriment and harm of my son [REDACTED]. [REDACTED] [REDACTED]

[REDACTED] [REDACTED] - his father is blocking him illegally from these services which is medical neglect and child endangerment. Also, I have a court-order by a civil court judge that spells out my parenting time. Mr. Alintoff not only broke the court-ordered parenting time over and over and over again starting in March 2021, but he has most recently blocked, concealed, threatened, intimidated and used coercive control to keep my [REDACTED] from being with me during my court-ordered parenting time which is not only custodial interference, but also parental kidnapping.

Just because you finally got around to looking for my child, does not mean that he was not illegally concealed from me for 12 days straight with NO WORD at all about his whereabouts.

Your title Mr. Fichter is Director of Special Victims Bureau, but you seem more interested in protecting Mr. Bryan Alintoff than you do in protecting ar [REDACTED] [REDACTED] who is not supposed to be at his father's home during my parenting time which was June 18th, June 19th, June 20th, June 21st, June 22nd, June 23rd, June 24th, June 25th, June 26th and June 27th. Just in this month alone I have missed and my son has missed 11 parenting days with me and he has missed several [REDACTED] which are medically court-ordered. In total as of today - Bryan Alintoff has illegally withheld [REDACTED] from me against a court-order for 31 days since March 2021. In April, you dismissed the investigation totally and then told me in our meeting on June 21st that you decided to re-open it because there is more evidence now and you are going to put a Grand Jury together for September or October. You stating that is declaration that Bryan Alintoff has committed a crime or several crimes.

For you to write that there are "no concerns" is tone-deaf to a young victim's needs and absolutely tone-deaf to a [REDACTED] needing his loving mother, stability in schedule, security, not to be a victim of coercive control by his father, not to miss urgent court-ordered [REDACTED]. It is also tone-deaf to the fact that [REDACTED] is currently with someone who has committed several crimes against his mother and who has violated the Order of Protection by using our [REDACTED] a weapon to alarm, harass, control, frighten, and emotionally injure [REDACTED] mother. My son is with someone who has gone out of his way to illegally keep [REDACTED] from me and from his medically-court-ordered [REDACTED] so do not tell me that "no concerns" were found. That is abhorrently inaccurate and white-washing this entire criminal situation.

Everyone outside of your office is alarmed and concerned for the well-being of my [REDACTED] son. Every agency I have contacted has taken immediate and serious actions to investigate and to follow-up on the Monmouth Prosecutor's inaction. I told you when I met in your office that I believed there to be bias against me by Monmouth County because I have spoken out against many corrupt judges. Judge Justus works in your office who I spoke out against in the press and media after Tamara Seidle was murdered due to Judge Justus refusing her an order of protection. If you can not handle these crimes being committed by Bryan Alintoff without bias against me for speaking out against corruption in your county, you need to let me know so that another Prosecutor's Office can handle this situation with professionalism and without bias. The public trust is not with your office and a lot of people (many who are in law enforcement) who are viewing your investigation are questioning why you have not arrested Bryan Alintoff yet with all the evidence you have. The public will want to know why Bryan Alintoff has been allowed to continue illegally withholding an [REDACTED] from his medical services and from his mother for months on end while your office first rejected my criminal complaints from March and April in 2021, but then accepted the criminal complaint in June after numerous complaints were filed with your office by me in May 2021. If you had acted back in March 2021 when I first brought this to your attention, this would not be happening now. Your office has allowed these crimes by Bryan Alintoff to continue and in fact, by dismissing my original criminal complaints, you emboldened and gave Bryan Alintoff permission to continue to break civil court-orders because he knew there would be no consequences for custodial interference and no

consequences for parental kidnapping after you dismissed my first complaints in March and April 2021.

Do not write to me again as a victim of a crime and as a domestic violence survivor and tell me that my son who is currently with his abuser is fine and that you have "no concerns" That is inappropriate, untrue and shows you have zero understanding of what emotional, mental, medical and developmental abuse looks like or feels like to ar You have left my son in the home of an abuser who has broken several court-orders and has committed criminal acts in accordance with NJ state laws and NJ statutes.

You are absolutely welcome to bring your attorney. If you would feel comfortable having him present then, by all means. This is not a target interview, merely a statement to memorialize your side of the allegations Rachael Alintoff is making regarding the safety and welfare of your son. This will be an official, legal document that will be presented to the court.

Also, Can you please provide me a good phone number for your attorney, Mr. Miller? Thank you.

PLEASE read attached email from my attorney to Mr. William Miller (who has not responded to any letters or emails in over a month) stating that Bryan Alintoff continues to violate my Order of Protection, commit custodial interference and parental kidnapping which he has been illegally engaged in since March 2021 and with no repercussions, continues to illegally withhold our [REDACTED] from me despite court-orders giving us equal parenting time over the Summer and despite medical court-orders that my son have [REDACTED].
I am afraid for the well-being of my son and for my own safety since Bryan Alintoff becomes more brazen with every week that there are no repercussions for his illegal actions. Bryan Alintoff is also guilty of medical neglect and child neglect due to illegally withholding medically court-ordered [REDACTED]

Mr. Fichter, you promised Detective Daniel McGrath from the NYPD that you would call me last week, but you never did. You never got back to me in all these weeks as to the status of Bryan Alintoff owning a firearm. I have never heard from Detective Trucillo and I have not heard from victim's advocate Finlay even once since our meeting in your office weeks ago.

I asked you many times in writing to confirm or deny if Bryan has access to a gun because according to Federal Law, with my Order of Protection, he is not allowed to possess any firearm whatsoever. I need this answered.

As you are well aware since yesterday, I filed a report with the **The National Center for Missing & Exploited Children**.

I have not slept in days and I have been begging your office to let me know if my son is o.k. AND if you have found a registered firearm

belonging to Bryan Alintoff which was promised to me by Mr. Fichter over 12 days ago. To find out from Detective Daniel McGrath that you have

known the whereabouts of my son and you say that he is safe and you know the whereabouts of Bryan Alintoff and you never thought to **immediately**

inform me - the mother and victim of these criminal acts - is very very disturbing.

This is not a joke and even if you have an ongoing investigation, there is no reason to not inform me that you have located my [REDACTED]

I should have been made aware of this **minutes** after you knew where he was.

Before I inform The National Center for Missing & Exploited Children of this update, I need to know EXACTLY when you last spoke to Bryan Alintoff and if you saw my son, or if it was just told to you over the phone by Bryan Alintoff that [REDACTED] is o.k. I need to know because in the past 2 weeks, Bryan Alintoff's attorney will not respond to my attorney even though he is an officer of the court and required by law to respond to these criminal matters, Bryan sold his home in Long Branch New Jersey only a little while ago which is highly suspicious, Bryan canceled a school meeting for [REDACTED] [REDACTED] in September with no new date for that meeting and I can not reach my son via phone, messaging or through Bryan Alintoff's attorney, Mr. William Miller. My attorney has written to him many times with zero response.

The fact that the Brooklyn DA's office, members of New York law enforcement, the Department of Justice and The National Center for Missing & Exploited Children have to become involved to this extent for me to even get MINIMAL answers about my child's well-fare is not only unprofessional, it is DANGEROUS and highly suspect. Out of respect for all of the law enforcement agencies - including the FBI, that are now following this parental kidnapping, custodial interference, medical neglect and violations to the current Order of Protection, it is important that I am kept updated on the health and well-being of my child. He is [REDACTED] and without services, he has been withheld illegally from his mother, his younger brother, his friends and family here in Brooklyn and his [REDACTED]

I have not slept or eaten while I sit here worrying about my son's whereabouts and you have known for a while that he is in the State of New Jersey and never thought to inform or update me until Detective Daniel McGrath called you to question the case out of his concern for the victims involved.

Your lack of communication with me is a total disregard for victim's rights. Where is the victim advocate who has been assigned to my case?

Please inform me the moment you receive this email of exactly when and how you spoke to or met with my son and how you can ensure that he is safe and not in emotional, physical or mental distress?

Detective Daniel McGrath has informed me that you promised him you will contact me tomorrow. I will be expecting your call.

I need to know because in the past 2 weeks, Bryan Alintoff's attorney will not respond to my attorney even though he is an officer of the court and required by law to respond to these criminal matters, Bryan sold his home in Long Branch New Jersey only a little while ago which is highly suspicious, Bryan canceled a school meeting for [REDACTED] in September with no new date for that meeting and I can not reach my son via phone, messaging or through Bryan Alintoff's attorney, Mr. William Miller. My attorney has written to him many times with zero response.

The fact that the Brooklyn DA's office, members of New York law enforcement, the Department of Justice and The National Center for Missing & Exploited Children have to become involved to this extent for me to even get MINIMAL answers about my child's well-fare is not only unprofessional, it is DANGEROUS and highly suspect. Out of respect for all of the law enforcement agencies - including the FBI, that are now following this parental kidnapping, custodial interference, medical neglect and violations to the current Order of Protection, it is important that I am kept updated on the health and well-being of my child. He is [REDACTED] and without services, he has been withheld illegally from his mother, his younger brother, his friends and family here in Brooklyn and his [REDACTED].

I have not slept or eaten while I sit here worrying about my son's whereabouts and you have known for a while that he is in the State of New Jersey and never thought to inform or update me until Detective Daniel McGrath called you to question the case out of his concern for the victims involved.

Your lack of communication with me is a total disregard for victim's rights. Where is the victim advocate who has been assigned to my case?

Please inform me the moment you receive this email of exactly when and how you spoke to or met with my son and how you can ensure that he is safe and **not in emotional, physical or mental distress?**

Detective Daniel McGrath has informed me that you promised him you will contact me tomorrow. I will be expecting your call.

Mr. Fichter and Detective Trucillo,

As you are well aware since yesterday, I filed a report with the **The National Center for Missing & Exploited Children**.

They opened up a case, collected images of [REDACTED] and gave me a case file number.

I have not slept in days and I have been begging your office to let me know if my son is o.k. AND if you have found a registered firearm

belonging to Bryan Alintoff which was promised to me by Mr. Fichter over 12 days ago. To find out from Detective Daniel McGrath that you have

known the whereabouts of my son and you say that he is safe and you know the whereabouts of Bryan Alintoff and you never thought to **immediately**

inform me - the mother and victim of these criminal acts - is very very disturbing.

This is not a joke and even if you have an ongoing investigation, there is no reason to not inform me that you have located my [REDACTED]

I should have been made aware of this **minutes** after you knew where he was.

Before I inform The National Center for Missing & Exploited Children of this update, I need to know EXACTLY when you last spoke to Bryan Alintoff and if you saw my son, or if it was just told to you over the phone by Bryan Alintoff that [REDACTED] is o.k. Detective Trucillo,

I was told that you are now assigned as the detective on the investigation against Bryan Alintoff for custodial interference, possible parental kidnapping and violations against an Order of Protection by Bryan Alintoff Detective Tucker was present in the meeting last week when you were away, and has been kind enough to collect and forward you existing evidence of the criminal acts listed.

Attached, please find letter written today by my attorney to Mr. Miller who is Bryan Alintoff's attorney. Not only have we not heard ANY response from Mr. Miller in a week (since last Friday), I have no idea where my son is or if he is safe. I know that my son is missing court-ordered [REDACTED] here in Brooklyn NY and that he is not getting his [REDACTED] [REDACTED]. I was supposed to see my son this entire week, but he has been illegally withheld from me and I don't know where he is. I am not sure if Bryan has left New Jersey, the country or if [REDACTED] is in mental and emotional distress. I am worried and concerned over this custodial interference since it is being used as a method to alarm, harm, frighten, control and punish me and it clearly violates the current Order of Protection ordered by the Honorable Judge D. Waksberg in Brooklyn, NY., which should also be enforced in all states in the U.S., including NJ.

Thank you in advance for your attention, concern, due diligence and efforts to investigate this case not only for my safety, but for the protection and safety of [REDACTED]. I have been threatened, faced extortion, faced physical and emotional abuse, and more from Bryan Alintoff for many years. His actions and behaviors have only gotten worse in the past year and his actions and behaviors also now cross state borders from NJ into NY. I am scared to death of him for good reasons.

If you need any further documents, please let me know.

Sincerely,

Rachel Alintoff

Ms. Tucker,

I don't believe I was given Detective Trucillo's contact information as of yet.

If you did give it to me via email, I apologize for not seeing it. Currently, I do not have his email or phone number.

Thank you.

Subject: Parental kidnapping from New York to New Jersey -- Extortion email from Bryan Alintoff

Good afternoon Special Agent Hetherington,

Please read the below email where Bryan Alintoff lays out a list of what I have to do before he will allow me to see my [REDACTED] son, [REDACTED]

I believe this email would rise to the levels of extortion. Bryan Alintoff is holding my son as ransom unless I comply with taking down articles on the Internet

by various reporters, media and press members that I have no control over. My attorney believes this is important to share with you.

I can be reached at: [REDACTED]

I have equal legal parenting rights and court-ordered parenting time. I have not seen my son in over 2 weeks. I had the police in Middletown do a well-visit

yesterday afternoon, but Bryan Alintoff took our son and hid during the well-visit so the police could not find him and he did not answer his cell phone which is: [REDACTED]

Bryan Alintoff is currently living with his girlfriend at [REDACTED] Way in Middletown, NJ.

I am in Brooklyn, NY under the address confidentiality program. I was put in this program by the Brooklyn DA's office as a domestic violence survivor.

I am afraid for my son who has a [REDACTED] and is being manipulated, controlled, threatened and coerced by a man who is narcissistic and highly abusive.

Thank you in advance for your attention to this matter.

I am a loving mother who is trying to protect her [REDACTED]

Sincerely,

Rachel Alintoff

Rachel,

[REDACTED] just called me to say you are there to pick up [REDACTED] As I've explained many times before...school does not get out until 2.45 pm.

In addition, you clearly don't even know his cohort schedule. He is virtual today.

I am not sure how to explain this any easier for you... [REDACTED] does NOT want to see you until you take down the vile posts. It is not me, it is HIM. I cannot believe you have not reached out to him in over a week to either explain why you feel the need to post those things on the internet for all to see or apologize for your very poor judgement. He is an [REDACTED] and still angry that you refuse to apologize for trying to [REDACTED].

You have...again...bridges to mend with him.

Get the help you need for your mental illness.

Bryan

Rachel,

[REDACTED] just called me to say you are there to pick up [REDACTED]. As I've explained many times before...school does not get out until 2.45 pm.

In addition, you clearly don't even know his cohort schedule. He is virtual today.

I am not sure how to explain this any easier for you... [REDACTED] does NOT want to see you until you take down the vile posts. It is not me, it is HIM. I cannot believe you have not reached out to him in over a week to either explain why you feel the need to post those things on the internet for all to see or apologize for your very poor judgement. He is an [REDACTED] and still angry that you refuse to apologize for trying to [REDACTED].

You have...again...bridges to mend with him.

Get the help you need for your mental illness.

Bryan

Subject: Parental kidnapping from New York to New Jersey -- Extortion email from Bryan Alintoff

Good afternoon Special Agent Hetherington,

Please read the below email where Bryan Alintoff lays out a list of what I have to do before he will allow me to see my [REDACTED] son, [REDACTED]

I believe this email would rise to the levels of extortion. Bryan Alintoff is holding my son as ransom unless I comply with taking down articles on the Internet

by various reporters, media and press members that I have no control over. My attorney believes this is important to share with you.

I can be reached at: [REDACTED]

I have equal legal parenting rights and court-ordered parenting time. I have not seen my son in over 2 weeks. I had the police in Middletown do a well-visit

yesterday afternoon, but Bryan Alintoff took our son and hid during the well-visit so the police could not find him and he did not answer his cell phone which is: [REDACTED]

Bryan Alintoff is currently living with his girlfriend at [REDACTED] Way in Middletown, NJ.

I am in Brooklyn, NY under the address confidentiality program. I was put in this program by the Brooklyn DA's office as a domestic violence survivor.

I am afraid for my son who has a [REDACTED] and is being manipulated, controlled, threatened and coerced by a man who is narcissistic and highly abusive.

Thank you in advance for your attention to this matter.

I am a loving mother who is trying to protect her [REDACTED]

Sincerely,

Rachel Alintoff
