Re: Open Public Records Act Requests

To Whom It May Concern:

Please be advised, I am the Records' Custodian for the Somers Point Board of Education (the "Board"). I am in receipt of your anonymous and unsigned first OPRA request (the "Request") dated March 27, 2023 pursuant to the Open Public Records Act ("OPRA" or the "ACT") and forwarded via "OPRAMachine.Com". Please be advised that given your method of request by way of a third party website, I was not aware this was not "spam," and that this actually was an OPRA request until your recent follow up communications. In your first Request you seek the following:

"All email to or from Michelle CarneyRay-Yoder between January 1, 2023 and March 27, 2023 containing any of the following keywords: 'HIB' 'Harass' 'Bully' 'Concern' 'Ethic'"

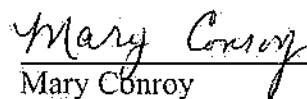

Given that the District has just reopened from spring break, please be advised that the Board requires additional time to process the above request. Accordingly, the Board hereby initially requires an extension of time until Friday, May 12, 2023 to answer same.

Regarding your second "request," dated April 10, 2023, please be advised it is unclear if this is intended to be an OPRA request or not. This "request" states:

"I am writing to request an internal review of Somers Point School District's handling of my OPRA request 'Emails on Bullying Topics from Michelle CarneyRay-Yoder.' To the extent you may consider this an OPRA Request, please be advised that same is denied as it does not

request specific documents. Moreover, OPRA is limited to documents rather than "internal reviews" or requests for specific actions.

Thank you in advance for understanding. Again, we will endeavor to respond to your first OPRA request by no later than Friday, May 12, 2023.
