Good morning!

When I called the construction office, the voicemail asked that I email to schedule a construction inspection. We need building & electrical inspections performed at 14 Albany. I have attached all permits / paperwork for this. Please let us know the soonest you can get out to inspect and if you need anything additional from us, thanks!

Subject: [EXTERNAL] Animal Rescue cover up.

Hello Mayor and Council,

My name is Patrick Duff, and I run a news website in the south jersey area called njrabblerouser.com <https://linkprotect.cudasvc.com/url?a=http%3a%2f%2fnjrabblerouser.com&c=E,1,6a-o5ihTiXdklalS9DkIVU-JG8A9JTY7c-UFj6hNxcDFI65kp2KkxzfzyfeDoyQ1XTU8NaxuMICDzKa3bAW_LgyCrzZD9zAoidzfhh-pXefMZgnjbg,,&typo=1> and I focus on government corruption.

I am not sure if you have read my latest article, but if not here is a link <https://linkprotect.cudasvc.com/url?a=https%3a%2f%2frabblerouser.blog%2f2023%2f10%2f13%2fare-evesham-officials-covering-up-more-than-just-dead-dogs%2f&c=E,1,kkF0a_HoVQ5mN47RhGu6sUiJyn7HG9aoXAIsJu40V3_fYNxMitm-XAa4y1Y8IqCtT3317ZllSjqRoln9rfaeiSfwMn989oVSklo83M8AuqYX04tbkQ,,&typo=1> .

In the article I point out the several times in which police were called to the property, yet nothing ever seemed to be done in the way of a proper investigation. To say the ball was dropped, is an understatement, especially considering the daughter of Rebecca Halbach complaining over a year ago of the issues that were found to exist on August 28th of this year.

The issue I am really having though is with the press release that was issued on October 10th, which stated that Rebecca Halbach and Brandon Leconey were posing as member of a local rescue without the knowledge or permission of the said owner, which considering the cats, can only be Lynn's Animal Rescue, owned by Lynda Mangano.

Your own township police report from the incident at the end of July shows that Lynn and Rebecca were working together. I have text messages to show that Lynn thought the dog that allegedly went missing from Rebecca's, that Lynn filed a police report that the dog went missing, was possibly killed by Rebecca and would never be found.

So can someone please explain to me how your PD exonerated Lynn Mangano and Lynn's Animal Rescue when even Ray Charles could see they were involved together in this massive crime and cover up? I have proof that Lynn is trying to solicit the silence of witnesses, and that she is claiming she is working with the detectives to get people who are looking into her arrested.

I have all of the evidence to prove Lynn was involved and they were not posing as volunteers, they were all directly involved in not only the death of the hundreds of dogs at the house, but possibly millions in vet bills from the sick puppies and kittens they pimped out, and dozens of other dogs who died because Lynn and Rebecca do not believe in vaccines for dogs and cats.

I have a team of investigators who are ready to dive into this case with me, so I suggest we all work together on holding those responsible accountable.

Thanks,
Patrick Duff

Rich the Dura edge company will not sell PS 90 infield mix, they told me they have had so many complaints. They do not recommend it and will not sell in the Northeast. And the person that made that recommendation is not qualified to make it. I spoke with Greg Fredric of Dura edge directly. 857-274-3100. So the question I have is the what is acceptable equivalent infield mix? Why are not requiring laser grading? baseball fields are super technical and very easy to make massive mistakes.1/2 % slope from the pitchers mound in a cone shape with a cone laser is the standard. Unless the field so high to low, you would need to a use dual slope laser and calculate the slopes balancing the soils. I included my resume, i have lived and worked in NJ since 2005. I do 30-60 infields a year in NJ. And where is the infield, I do not recall seeing the address on the bid docs?

Hello Sgt. Henry,

I took some time going through the archives of https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fLynnsanimalrescue.org&c=E,1,nlzci5yVY-7IVLUTrBrRuNLSD6Fya_eP0G8IesZgVhsV6FURIFJi1CGeOWROb4S9Llw53YnsU0H30_heLDz3wpx7dXYSJaPympaCYtWY1DDCd0o_ZIrK9Fat&typo=1 and recovered the following images showing Maria Ginter is the one who handles the website and online presence for Lynn, and has been doing so for over a decade. I found that the website was changed in 2020 to reflect that they were also handling dog rescues, and the phone number that was added goes back to Rebecca Halbach. So here you have a possible person of interest being fed images and information from inside the Township, and then using that information to intimidate and harass people who are looking into the case, including witnesses, and encouraging other witnesses to keep quiet.

You will see a Twitter post regarding the house by Ginter just 3 days after the arrests, who somehow clearly already knew about the little girl who had been removed from the home a year prior. If she knew, why'd she allow it to exist without reporting it?

Thanks,
Patrick Duff

Hello Detective Mahand,

I am a local independent journalist following the case of the house full of dead dogs and now subsequent arrests. I was hoping you could give me the name of the rescue that was mentioned in the article today that said Rebecca was lying about working for? Is it Lynn's Animal Rescue, also of Evesham?

Also, could you let me know why you are holding Kelli Bowmen's phone when she has admitted to entering the house and willing to give you the video?

Was child services called last year when the little girl went into 7-11 and asked for help due to her house being filled with dead animals? If not, why? If so, what was the outcome?

Is it legal for Evesham Officer's to extradite Kelli Bowmen from Camden to Burlington county without informing the Camden County and or West Berlin police?

Thanks,

Patrick Duff

Yet you put it out in a press release that wound up posted on your public Facebook page and in several news outlets? You have to admit, something seems a bit off about that. But hey, I'll read the case law and have some feedback on the denial. Oh, sorry, I'll just go to your FaceBook page to get the photo.

Dear OPRA,

All complaints made to the Township regarding that property, whether they be property violations, or criminal complaints or calls for investigation. It's said the older daughter of the the people living there went to a 7-11 nearby a year or so ago and asked for help because she was living with dead dogs. That child I am told was removed from the home.

Yours sincerely,

Hello!
Community Development OPRA response attached.
Please complete the review, including Daniel's Law, and forward to requestor.

My research produced the attached documents that may fit your OPRA criteria. My research did not produce any current violations. There is NO property survey on file. I did not locate any OPEN permits. The zone is RD-3. See attached. The utility phone number is attached on the flyer. For anything else you may want to consult a land use attorney. Many of their names are listed when you do a search on our EVESHAM website UNDER planning and zoning board ARCHIVES.
The following is for informational purposes only that may garner information on any address.
Please contact STATE OF NJ DEPT OF ENVIRONMENTAL PROTECTION AT 609-633-7700 or 609-984-3316 regarding oil tanks, or sanitary sewer improvements. Feel free to contact the Burlington County Department of Health at 609-265-5548. In addition, the Evesham MUA phone number for sewer and water hook ups is 856-983-1878.

Subject: [EXTERNAL] Animal Rescue cover up.

Hello Mayor and Council,

My name is Patrick Duff, and I run a news website in the south jersey area called njrabblerouser.com <https://linkprotect.cudasvc.com/url?a=http%3a%2f%2fnjrabblerouser.com&c=E,1,6a-o5ihTiXdklalS9DkIVU-JG8A9JTY7c-UFj6hNxcDFI65kp2KkxzfzyfeDoyQ1XTU8NaxuMICDzKa3bAW_LgyCrzZD9zAoidzfhh-pXefMZgnjbg,,&typo=1> and I focus on government corruption.

I am not sure if you have read my latest article, but if not here is a link <https://linkprotect.cudasvc.com/url?a=https%3a%2f%2frabblerouser.blog%2f2023%2f10%2f13%2fare-evesham-officials-covering-up-more-than-just-dead-dogs%2f&c=E,1,kkF0a_HoVQ5mN47RhGu6sUiJyn7HG9aoXAIsJu40V3_fYNxMitm-XAa4y1Y8IqCtT3317ZllSjqRoln9rfaeiSfwMn989oVSklo83M8AuqYX04tbkQ,,&typo=1> .

In the article I point out the several times in which police were called to the property, yet nothing ever seemed to be done in the way of a proper investigation. To say the ball was dropped, is an understatement, especially considering the daughter of Rebecca Halbach complaining over a year ago of the issues that were found to exist on August 28th of this year.

The issue I am really having though is with the press release that was issued on October 10th, which stated that Rebecca Halbach and Brandon Leconey were posing as member of a local rescue without the knowledge or permission of the said owner, which considering the cats, can only be Lynn's Animal Rescue, owned by Lynda Mangano.

Your own township police report from the incident at the end of July shows that Lynn and Rebecca were working together. I have text messages to show that Lynn thought the dog that allegedly went missing from Rebecca's, that Lynn filed a police report that the dog went missing, was possibly killed by Rebecca and would never be found.

So can someone please explain to me how your PD exonerated Lynn Mangano and Lynn's Animal Rescue

when even Ray Charles could see they were involved together in this massive crime and cover up? I have proof that Lynn is trying to solicit the silence of witnesses, and that she is claiming she is working with the detectives to get people who are looking into her arrested.

I have all of the evidence to prove Lynn was involved and they were not posing as volunteers, they were all directly involved in not only the death of the hundreds of dogs at the house, but possibly millions in vet bills from the sick puppies and kittens they pimped out, and dozens of other dogs who died because Lynn and Rebecca do not believe in vaccines for dogs and cats.

I have a team of investigators who are ready to dive into this case with me, so I suggest we all work together on holding those responsible accountable.

Thanks,
Patrick Duff

Hey Heather,

I have proof a public works employee is the person who shared the images of the dead dogs in the cages and dump truck. Article to come tomorrow.

Hello Detective Mahand,

I am a local independent journalist following the case of the house full of dead dogs and now subsequent arrests. I was hoping you could give me the name of the rescue that was mentioned in the article today that said Rebecca was lying about working for? Is it Lynn's Animal Rescue, also of Evesham?

Also, could you let me know why you are holding Kelli Bowmen's phone when she has admitted to entering the house and willing to give you the video?

Was child services called last year when the little girl went into 7-11 and asked for help due to her house being filled with dead animals? If not, why? If so, what was the outcome?

Is it legal for Evesham Officer's to extradite Kelli Bowmen from Camden to Burlington county without informing the Camden County and or West Berlin police?

Thanks,
Patrick Duff

I wanted to ask you if you have seen the photos that Kynn Mangano's friend posted online of the dead dogs? The photo was taken at your municipal works building and then shared with Maria Ginter. I will be releasing an article today that names the person who released the photos today, Anthony Nolasco, who works in the public works department. I have proof he has been sharing information on the case, and when. contacted him for comment, he erased his photos on FB and then blocked me.

Subject: [EXTERNAL] Animal Rescue cover up.

Hello Mayor and Council,

My name is Patrick Duff, and I run a news website in the south jersey area called njrabblerouser.com <https://linkprotect.cudasvc.com/url?a=http%3a%2f%2fnjrabblerouser.com&c=E,1,6a-o5ihTiXdklalS9DkIVU-JG8A9JTY7c-UFj6hNxcDFI65kp2KkxzfzyfeDoyQ1XTU8NaxuMICDzKa3bAW_LgyCrzZD9zAoidzfhh-pXefMZgnjbg,,&typo=1> and I focus on government corruption.

I am not sure if you have read my latest article, but if not here is a link <https://linkprotect.cudasvc.com/url?a=https%3a%2f%2frabblerouser.blog%2f2023%2f10%2f13%2fare-evesham-officials-covering-up-more-than-just-dead-dogs%2f&c=E,1,kkF0a_HoVQ5mN47RhGu6sUiJyn7HG9aoXAIsJu40V3_fYNxMitm-XAa4y1Y8IqCtT3317ZllSjqRoln9rfaeiSfwMn989oVSklo83M8AuqYX04tbkQ,,&typo=1> .

In the article I point out the several times in which police were called to the property, yet nothing ever seemed to be done in the way of a proper investigation. To say the ball was dropped, is an understatement, especially considering the daughter of Rebecca Halbach complaining over a year ago of the issues that were found to exist on August 28th of this year.

The issue I am really having though is with the press release that was issued on October 10th, which stated that Rebecca Halbach and Brandon Leconey were posing as member of a local rescue without the knowledge or permission of the said owner, which considering the cats, can only be Lynn's Animal Rescue, owned by Lynda Mangano.

Your own township police report from the incident at the end of July shows that Lynn and Rebecca were working together. I have text messages to show that Lynn thought the dog that allegedly went missing from Rebecca's, that Lynn filed a police report that the dog went missing, was possibly killed by Rebecca and would never be found.

So can someone please explain to me how your PD exonerated Lynn Mangano and Lynn's Animal Rescue when even Ray Charles could see they were involved together in this massive crime and cover up? I have proof that Lynn is trying to solicit the silence of witnesses, and that she is claiming she is working with the detectives to get people who are looking into her arrested.

I have all of the evidence to prove Lynn was involved and they were not posing as volunteers, they were all directly involved in not only the death of the hundreds of dogs at the house, but possibly millions in vet bills from the sick puppies and kittens they pimped out, and dozens of other dogs who died because Lynn and Rebecca do not believe in vaccines for dogs and cats.

I have a team of investigators who are ready to dive into this case with me, so I suggest we all work together on holding those responsible accountable.

Thanks,

Patrick Duff

Hello Detective Mahand,

I am a local independent journalist following the case of the house full of dead dogs and now subsequent arrests. I was hoping you could give me the name of the rescue that was mentioned in the article today that said Rebecca was lying about working for? Is it Lynn's Animal Rescue, also of Evesham?

Also, could you let me know why you are holding Kelli Bowmen's phone when she has admitted to entering the house and willing to give you the video?

Was child services called last year when the little girl went into 7-11 and asked for help due to her house being filled with dead animals? If not, why? If so, what was the outcome?

Is it legal for Evesham Officer's to extradite Kelli Bowmen from Camden to Burlington county without informing the Camden County and or West Berlin police?

Thanks,

Patrick Duff

Subject: [EXTERNAL] Questions about investigation.

Hello Detective Mahand,

I am a local independent journalist following the case of the house full of dead dogs and now subsequent arrests. I was hoping you could give me the name of the rescue that was mentioned in the article today that said Rebecca was lying about working for? Is it Lynn's Animal Rescue, also of Evesham?

Also, could you let me know why you are holding Kelli Bowmen's phone when she has admitted to entering the house and willing to give you the video?

Was child services called last year when the little girl went into 7-11 and asked for help due to her house being filled with dead animals? If not, why? If so, what was the outcome?

Is it legal for Evesham Officer's to extradite Kelli Bowmen from Camden to Burlington county without informing the Camden County and or West Berlin police?

Thanks,

Patrick Duff

Dear Corbett, Katherine,

Yet you put it out in a press release that wound up posted on your public Facebook page and in several news outlets? You have to admit, something seems a bit off about that. But hey, I'll read the case law and have some feedback on the denial. Oh, sorry, I'll just go to your FaceBook page to get the photo.

Yours sincerely,

Dear Mr. Duff: regarding your questioning of my originally provided

redacted OPRA No. 23-0548 (exemption/redacted-Part C) emails, please be

advised it was solely my intent to practice due diligence and to redact

said records according to OPRA law regulations. After further extensive

review and attorney consultation, please see attached (same Part C)

revised redacted record(s)*

* said revised redactions are in accordance with the previously provided

OPRA exemptions list emailed to you on 9/29/23 -except for "RE_Revised
