Dispatch Procedure for Lakeland and Atlantic EMS (as of July 8, 2022)

Please begin adhering to the following effective immediately:

- Atlantic will now be the primary agency for all calls within Andover Township
- Should Atlantic EMS be unavailable, you can dispatch mutual-aid from Newton EMS then Lakeland EMS if necessary. As indicated below discretion may be used for closest available.
- All calls in Andover Boro will continue to be covered by Lakeland EMS first. If no response then proceed with Atlantic EMS followed by Newton EMS.
- When in doubt use the "closest available unit". Should anyone have an issue with this from any agency please direct them to me or Lieutenant Kithcart regardless of the calling party's request in wanting to speak with a "shift commander".
- Sussex County EMS channel will be the channel utilized to communicate with Atlantic EMS
