Re: Transfer

Dear Commissioner Richman:

As you and I discussed last week, I am pending transfer to another state government agency. I have been advised that the transfer will be effective for pay period number 26, which begins on Saturday, December 9, 2017. However, I was cautioned that the official date of the transfer could change.

Although I anticipate that my last day with the Government Records Council will be Friday, December 8, 2017, I will nonetheless remain employed with the Department of Community Affairs until the transfer is effective and final. There will be no break in service.

I cannot adequately express how fortunate and privileged I have been to serve as the Executive Director of the Government Records Council for the past three years. Without question, my time with the GRC has been an amazing and rewarding professional experience. On balance, my service here has made me a better public employee, a better manager, and a far better person. Moreover, I cannot thank you enough for every courtesy you have shown me. You are indeed the consummate professional, and the taxpayers certainly owe you a debt of gratitude for your astoundingly honorable public service. I wish you well in whatever the future might bring.

As we await the transfer to be final, I will endeavor to meet with you prior to the effective date of the transfer to discuss certain outstanding GRC matters.

Sincerely,
