Subject: Internal review of OPRA request - Employee records

Dear Weehawken Township,

Please pass this on to the person who conducts Open Public Records Act reviews.

I am writing to request an internal review of Weehawken Township's handling of my OPRA request 'Employee records'.

I did not receive information relating to No. 3 and No. 4 which addressed and specific qualifications and pension.

It is public information and I would like to receive it as requested under the OPRA law which says one may obtain a public employee's name, title, position, salary, payroll record, length of service, date of any separation and the reason for such separation, and the amount and type of any pension received. If there are specific qualifications for a public employee's position or pension, you may also obtain general information regarding the public employee's qualifications.

Thank you

A full history of my OPRA request and all correspondence is available on the Internet at this address:

Yours faithfully,

Katia Domanska
