145. Crash Description/ Narrative

I spoke with D1 of V1, who I identified as Jason Rosenberg. He stated that he was behind V2 waiting for the left turn signal to turn green. D1 stated that V2 crept forward so he did as well and then struck V2 who was stopped. I took down D1's information to be used in this report. D1 was released from the scene at this time.

173 spoke with and took down the information of D2 of V2, who was identified as Jack Rosenkranz. After D1 left, I spoke with D2 to get his account of the incident. D2 stated that he was stopped and waiting at the light when he felt a jolt from V1 colliding with the trailer.

No injuries were reported on scene.

Based on the statements of each driver, driver inattentiveness by D1 of V1 caused the collision.

145. Crash Description/ Narrative

Upon arrival, observed V1 off the roadway approximately 15 feet in dense vegetation, at the top of an embankment with its rear wheels off the ground. V1 appeared to come to a stop after striking a tree. D1 was outside the vehicle and P1 was still seated inside. Removed P1 and moved both parties off the roadway in a safe area. I did not observe any skid or yaw marks. I did observe a tire contact mark on the curb where V1 struck and went over the curb.

D1 stated he was traveling west on Route 46, speaking with P1 when he left the roadway, striking the curb and then going into the vegetation. D1 stated he took his eyes off the roadway when speaking with P1 and could not provide any further explanation.

Based on the totality of circumstances, D1 was distracted by P1, took his eyes off the roadway and left the roadway and was unable to correct. D1 was issued a motor vehicle summons for careless driving.

No injuries reported on scene and both declined treatment.
