(If a change in salary is part of another action, merely update the Salary Block on the Employee Profile, (CS-66).) Submit an original and one copy to your Civil Service Branch Office. When reporting salary changes for a group of employees with different effective dates of salary change, group the employees by effective date of salary change and use a separate form for each effective date. **NOTE:** Be certain to use the special 10 digit Social Security Number that appears on the employee's Profile (CS-66) since the 10th digit that has been added to the employee's regular Social Security Number identifies employees with more than one job.
