Dear Camden City,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested: The updated amended plans, and final plans for the EMR HQ Parking at 201 N Front St- Front and Penn St.

There was a conditional approval of the plans, the community is interested in learning what those final plans look like and were all the conditions from the meeting met in the final plan.

Yours faithfully,
The Citizens of the Community
