TRS Staffing

2022 Staffing

- Volunteers have contributed over 10,000 hours towards meeting the needs of our towns and the surrounding communities YTD but filling shifts continues to be a challenge, particularly on weekdays.
- Staffing continues to challenge all BLS agencies Nationwide and TRS is not an exception.
- The weekday paid in house crew program continues with good results.
- There is a national trend for agencies such as TRS to regionalize supporting the “neighbors helping neighbors” approach vs brining in for profit BLS services.

- TRS is exploring opportunities to regionalize
- The ambulance housed in Fire Station 431 has been utilized by members for second rig calls and we anticipate if an appropriate location in Shamong can be identified, we will have the similiar success.

- 33 Active Members have contributed time this year
- Duty Crew 12,113 hours

TRS Staffing

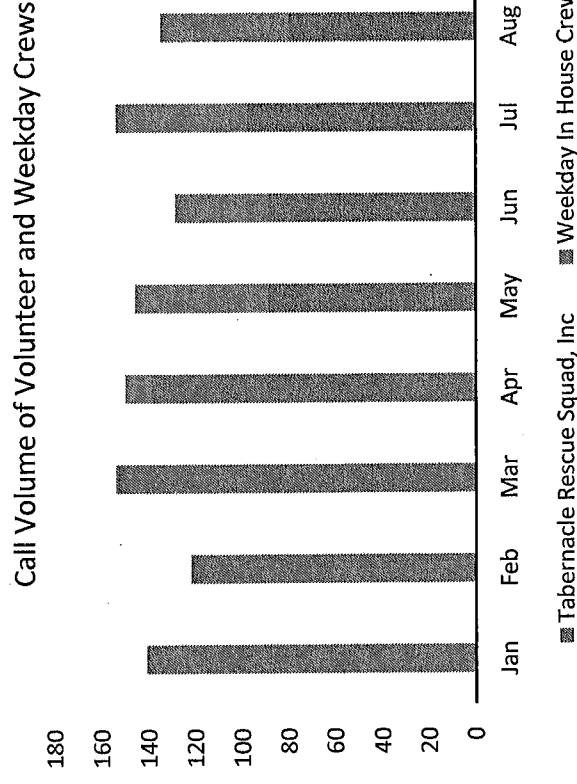

2022 Staffing

- Staffing continues to challenge all BLS agencies Nationwide and TRS is not an exception.
- Volunteers have contributed over 10,000 hours towards meeting the needs of our towns and the surrounding communities YTD but filling shifts continues to be a challenge, particularly on weekdays.

As discussed earlier this year we have implemented an in station, paid crew Mon – Fri 6am to 6pm.

- There is a national trend for agencies such as TRS to regionalize supporting the “neighbors helping neighbors” approach vs brining in for profit BLS services.
- TRS continues to explore opportunities such as regionalization to ensure our continued success of neighbors helping neighbors.
- We have housed an ambulance in Fire Station 431 to support volunteers living close to the station for second rig calls.

36 Members have contributed time this year
