Thank you for sending the fully executed Environmental Screening Form (ESF).

I have already begun coordinating the review with our national program office and the regional environmental coordinator and I am working on completing comments. I hope to have a response to you by the end of next week.

I will need to review everything with the Department of Interior Solicitor before finalizing anything.

Please let me know if you have any questions or if I can assist with anything. You can reach me through email or call me on my cell at [REDACTED]

Also please let me know if there is anyone else who needs to receive NPS correspondence on Thomas A Edison Park.

Thank you for your assistance.

Diane
