Township of Marlboro
1979 Township Drive
Marlboro, N.J. 07746

Pursuant to N.J.S.A. 4:24-39 *et seq.*, the N.J. Soil Erosion and Sediment Control Act, the Freehold Soil Conservation District hereby grants certification of the Soil Erosion and Sediment Control Plan for the above-captioned project, subject to the following:

1. That the applicant carries out all land disturbance activities in accordance with the Standards for Soil Erosion and Sediment Control in New Jersey, promulgated by the State Soil Conservation Committee.
2. The applicant must notify the District office, by mail, at least 72 hours prior to initial land disturbance.
3. The owner/applicant must obtain a District-issued Report of Compliance prior to any Certificate of Occupancy issued by the municipality. The District requires at least one week's notice before the issuance of a Report of Compliance.
4. Changes in the certified plan relating to, or that will affect land disturbance on the site must be submitted to the District office for reevaluation and approval.
5. A copy of the certified plan and a copy of these provisions must be kept on the job site at all times.

"This certification is limited to the controls specified in this plan. It is not authorization to engage in the proposed land use unless such use has been previously approved by the municipality or other controlling agency."

Failure to comply with any of the above conditions may result in the issuance of a Stop Construction Order.

Sincerely,

Thomas C. Anderson
District Manager
