Dear Ms. Daberkoe:

The Township of Pennsauken received your Open Public Records Act (OPRA) request on August 14. As such, the seven (7) business day deadline to respond to your request was August 13 (see attached). A response is being provided to you on the 7th business day as the custodian's receipt of said request.

The attached records are being provided & are responsive to a portion of your request.

Be advised that your request (see attached) requires an extension of time of seven (7) business days to fulfill. OPRA allows custodians to seek extensions of time pursuant to N.J.S.A. 47:1A-5.i. Specifically, OPRA states that "the requestor shall be advised by the custodian when the record can be made available. If the record is not made available by that time, access shall be deemed denied."

Your request requires an extension of time until August 24, 2021.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Pennsauken to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Pamela Scott-Forman

Subject: OPRA request - Environmental Records

Dear Pennsauken Township,

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

EnviroSure is conducting a Phase I ESA at 9411-9417 North Crescent Boulevard (Block 2002; Lot 17). In that regard, we are requesting a search of all files pertaining to the property. Especially, underground storage tanks, environmental concerns, building permits and ownership records.

Thank you.

Valerie Daberkoe
