Subject: Re: 23-675 OPRA07470 response

Dear Ms. Merza & Mr. Margiotta,

I hereby request reconsideration of this response to the OPRA Request. The Facebook Page entitled "Fran Ritter, Councilwoman for 5th Ward, Wayne Township, New Jersey" which can be found at URL: <https://www.facebook.com/FranRitterWard5CouncilWayne> is clearly identifies the page as a page for a Government Official. The Contact Info for the page which can be found at URL: <https://www.facebook.com/FranRitterWard5CouncilWayne/about> identifies the email address associated with the page as xxxxxxxx@xxxxxxxxxxxxxxx.xxx.

I cite Superior Court Case Larkin Timothy Vs Borough Of Glen Rock (Docket # BER-L-002573-18) in which the judge found that the individual elected officials' Facebook pages are government records.

Therefore, please be guided accordingly and provide the information requested in the original request.

Yours sincerely,

OPRA07470

Hi Fran, I found you on FB and was drawn in because I see you're the lone Dem on your co years and still wanting to serve my community, it is time for me to pivot to the municipal s one-party rule. In fact, the last time a Democrat won a Council seat was 1987! There was a than I want to see as my representatives. So, I threw my hat in the ring after I saw that two opinion) in terms of age, gender and background. Our theme is "One Bridgewater". Last fa stronger partisan views that I run for office in my own backyard. I also am tired of cronyisr

This is only because I don't want crazy people to criticize you. You accidentally put where instead of wear on the post about masks. Keep doing the great work you have been doing!

No thank you for doing what you are doing!

I am a teacher in Wayne and a parent so I totally agree. We need to keep these kids safe! Thank you for doing this!

I could not go to the forum last night because I am on the diversity committee. I hope they know most people are for this initiative

Thank you!

I have two kids in Wayne Schools. Coming at this as a parent. It's indefensible.

From this is Robert Baker in townhouse 8667. I am very sorry to contact you when I realize you couldn't be more busy. I write and visited Mary in the Manager's office a week ago. At that time I provided her with pictures of the front of 8619, across from me. Previous managers have had to deal with everything from illegal parking to piles of trash in front of their front door. I hate to circumvent Management, but 8619 is opposing her as well. In the front window they have a large poster which is not a holiday decoration at all. In my 26 years at Brittany Chase, these people are the very worst. It started with illegal parking on both corners, then the piled up trash, now trash in front of the door, but the poster is what really needs to be addressed. There are other community violations, but this one is the current problem. Is there anything that can be done, please? We pay a lot of money in taxes and maintenance and some abuse the system. Much appreciated, and a very happy holidays to you and the Board.

Very much appreciated. I don't mean to diminish Mary's role at all. Past managers all had problems getting this neighbor to conform.

Thanks. Today the trash piled to one side by the front door isn't as bad as most days. Also, aside from that, as very much a Democrat, I applaud you gaining your seat in office and know you have considerable backing. I wish you much success politically, for your sake and ours. Goodnite.

Hi Mary, I have contacted Mary for the good end of the Board and she has said that you could be from.

Hello Ms. Ritter, I am not sure if you would be able to assist/advise me, but I saw that you became the new board president for The Brittany Chase Condo Association in Wayne, NJ

8/23/22 2:43 PM
Unfortunately I came across that case while researching what to do in my current situation. I have a similar issue and I am not sure how best to proceed or what I am a bit in over my head and was hoping you can help advise Or provide me with a legal recommendation specializing in that area

1/23/23 1:23 PM
I am currently in the process of submitting a complaint to the DCA, but I am not sure what else to do. I live in a community with over 500 residents that are being taken advantage of 500 units

1/23/23 7:22 PM
Ms. Bernicker- this page is limited to discussion in my capacity as Town Councilmember. I do not advise in such matters, but please feel free to contact me at the following email address so that I can try to direct you to someone who may be able to point you in the right direction.

Hi I am a Condo owner in North Brunswick where the same to you are suing is managing. We are not treated fairly and want to know more about your case and correct procedure. Today the board is not even accessible and no records are provided

Call Mr. Kohli. This is the phone number for all correspondence. Please direct your question to Mr. Davis. Artz, Esq. 201-669-3800

Thank you so much for the info. I did contact David Kurtz and he wants more detail so my friend is going to send him all the details as she is fighting single handedly. We wish you success with the case. I have a strong feeling our case has similar pattern but they have scared home owners so much with fines that people are afraid to come out in open to support. All of us are naive how to fight this very powerful and rich organization. Hope Mr Kurtz will show some way. Thanks again.

sending best wishes and great resolve for this issue you and your neighbors are facing!

Hey Fran, Hope all is well. This is Carolyn Staub. I live in Brittany Chase. We have met over the years. I have a question about the voting ballot. Can you recommend which of the Board of Education members to vote for? I want to make sure I am voting for Democrats. I don't have kids in town so I don't have a link to the schools. Thank you!¹⁶

Oh that's great! Thank you Fran. Much appreciated. I'll pass this info on to my mom and our neighbor as well.

I am not signed up for that. Not sure about my mom. Thanks for the info. I'll look into it. I've read about some CRT argument creeping into Wayne, so that's why I didn't want to vote without knowing exactly what they stand for.

Hi! thanks for contacting us. We've received your message and appreciate you reaching out!

Of course Carolyn. I hope all the well. My pleasure. Suzanne Piddup, Stacy Scherend Jacob van Lunen.

Do you like the free online daily newspaper in Waukegan, Ill. and subscription? I highly recommend. The bumpers are trying to take over waukegan school district.

They are running three out. They already got three in last year.

Hi Fran, Ellen Floman Hope all is well! You did hear about Marc, right?

I'm sorry to have to tell you, Soto passed away a few days ago. v

His heart. I had spoken w him end of September to see how he was faring w Hurricane Ian. He was up here already. He said he was having breathing issues and was seeing cardiologist the next day. He needed a new valve, he'd had a stent in June. He had an angiogram and things just went south from there.

Were u friends w him on Facebook

We were and then we weren't. I think it was pretty important for me to say so that he didn't think I was just saying that. I think it was pretty important for me to say so that he didn't think I was just saying that. I think it was pretty important for me to say so that he didn't think I was just saying that.

He just died a few days ago. Private funeral. There will be a celebration of his life, his wife will let me know. Give me your # and I can text u.

Yes Melinda said you had been to the post and he was there. Didn't realize it was that long ago.

He was still a goofball.

Thank you for bringing the mayor's sneaky proposal to light. I voted for him for years...I don't like what I have been seeing for 2years now.

I love Wayne and grew here and the only thing keepinh me here is the people . I contacted the Mayor about the economic commission last year...his email back to me was very harsh. .now he wants to get a raise on the sly. .the agenda doesn't have info on it. Thanks for posting it online. I was at basketball with my son or I would of spoke too

And that live MIK at the end. At home we heard the vouncillman say oh fuck and where are the fuvkinh cookies. Real nice.

What will you and Wayne do for Foundational Black Americans that Built America and your town? We didnt FLEE here to America, our Ancestors built America and we Demand our Cash Reparations. slavery was Law on a Local, State and Federal level and theres No Statute of limitations on Human Rights Violations. We stand in our Ancestors shoes like the Jewish community. #CutTheCheck

Hello Councilwoman - I'm a reporter with NJ 101.5 News, who wrote previously about the proposal to switch the Mayor's post to full-time. Was wondering if you have a minute to chat about the latest? I'm at 848-863-5190. If not - I'd really appreciate a statement on the situation and whether pulling the amended ordinance would actually 'stop' the issue (I see your FB post on it). Thanks - Erin Vogt erin.vogt@townsquaremedia.com

Hi Erin,

Thank you for reaching out. This is my statement:

While the Mayor now wants His Full-Time Mayor Ordinance pulled from tonight's Council's meeting agenda, that can only be accomplished by a majority having an 8-4-3 final vote to approve the Mayor's Full Time Mayor Ordinance tonight. And if the Ordinance is pulled, it is unclear whether it will be proposed.

Good evening Councilwoman, I just wanted to say that I finally caught up to last night's meeting and I wanted to thank you for always fighting for what you believe in. I can't imagine it's easy to do, but I know you don't mind a good fight. The council, and town, needs you whether they know it or not. Have a great night

Verbal Confrontation at Wayne Town Council Meeting

WAYNE, NJ – This week's Wayne Town Council meeting featured a verbal confrontation between Fifth Ward Councilwoman Fran Riter and several fellow council members along with Mayor Chris Vergano.

Typically you put contracts on the admin agenda as they have here. They view this contract as no different. The better question is why are we even considering renewing this contract. I voted no to this three years ago as well. Check out this article.

I saw your post about the safety crosswalks. My kids go to Thomas Day school. Pictured below is the vehicle approach to the student entry. In my opinion this presents the potential for disaster. It could be an accident where someone accidentally accelerates and hops the curb or something deliberate which is something we have to think of today. Perhaps some of those yellow concrete posts could be installed here to prevent such an occurrence. Not sure if another school may have a similar situation.

Thanks for the reply. I haven't reached out to anyone. Really noticed it recently while pulling up to the school and thought about it. I'm not even sure who my district councilman is.

Awsome thank you! I'll confirm once sent to ensure you received it.

Hi! My name is Marissa Sikder I am a Committee Member of Troop 102 in Wayne, we are sponsored by American Legion Post 174 I have some scouts who need to work on the communication Merit Badge and they were hoping to attend the council meeting on the 15th. I know some meetings can get a little "heated" so before I agreed to them coming I told their parents I would reach out to you and see what you thought about the meeting first

Do you realize what Councilwoman Fran Ritter did for us here? \$15+ million for Valley Rd. Improvements is a game changer. Fixing the most dangerous road in Wayne will save lives and make driving so much easier. Thank you, Councilwoman Fran Ritter, 5th Ward, for never giving up on getting this project realized. That's what a dedicated public servant can do when not bogged down in bashing the county. Well done! That's why you deserve...

HI Councilwoman! I was hoping you could help me with something but let me provide you with a little back-up. Earlier this year, residents and business people in Lincoln Park formed the Lincoln Park Business Owners Association. One of the members, Gary & Megs Chicken and Ribs is located in Wayne but the owners reside in Lincoln Park. Anyway, they said something about a "expensive government process that is causing a roadblock and would cost approximately \$20,000". I was just wondering if you would be able to enlighten me on what they are talking about. Do you know anything about their situation? If so, would you be able to provide any assistance or explanation? The business owners association would love to have a fundraiser to support this business but they were also wondering if there is anymore to the story and asked me to reach out.

thank you
