March 4 at 12:04pm

Seems like we should be working on getting alcohol prohibited in town given the fact that its related to so many accidents . The new governor will expunge the marijuana arrests . The police are tasked with the laws we give them but what a waste of resources . Not Mary.

I see a problem with heroin and alcohol, but more arrests for weed. Alcohol seems like it has the greatest likelihood of causing injury or damage but at least the got that money from the weed arrests...
