when the cops go around, they should check for shower heads and foot cleaners that are still running. I turn them off all the time. Nice to find pot heads, but beater to turn off water that has been running all night...like I found this morning.

Chief, I parked on Main St across from Darcy's today to watch soccer. The spot was yellow however the construction area was fenced off and no way was a no parking area. Received a ticket from you. Really? I thought the town was better than that.

Bradley Beach Police Department

Mr. Sandow, you do have the right to disagree with the officer and the basis for the summons issuance by contacting the court and pleading not guilty. The contact information for the court and instructions to proceed can be found on the summons or by contacting the court directly at 732-776-2999. Thank you for your input on this matter.

This is good news coming from the top.....

"I'm a firm believer that law enforcement works best when there's trust and collaboration between law enforcement and the communities we serve," Attorney General Gurbir Grewal said, noting that trust is primarily established through "transparency and accountability."

Good morning! I am a parent of children who attend Bradley Beach Elementary school. I just wanted to take a moment to let you know how impressed I was this morning when dropping my son off. I'm not sure of the officers name, but he was on the playground with the children while they were playing basketball, talking to them and just engaging with them. It was nice to see and we would love to see more of it. Thank you! Kristy

Good morning! Thanks for the kind and supportive feedback. We do our best to engage with the kids as often as possible and we will continue this very important aspect of our community relationships. Thanks again and have a great holiday season ahead.

Joey

Do you guys send employees to academy for sleo 2 if need be? Or u just start them as sleo 1 . how does that process usually work

Bradley Beach Police Department

Please submit a cover letter and resume to Chief Guida. It depends are the staffing needs at the time.
