Hi Bergenfield Police Department, I took the Law Enforcement Examination back in October of 2016, I believe, for Bergenfield and scored a 95.310 on the exam. I believe my score should still be active, but I was just wondering do I need to apply for an opening, if there was one, or would the department notify me if I was next up on the list to potentially become an officer? Thank you so much for the time and answering my question. Best, Steve

Bergenfield Police Department

You should be notified by civil service if we verified a list and you are in it. We are not hiring at this time. You will receive the same notice for other civil service agencies if they are hiring good luck.

Norfolk Police Department added a new video: #NorfolkPD Lip Sync Challenge.

...

YOUR WAIT IS OVER!!!! The Norfolk Police Department was challenged by the Corinth Police Department, Texas to a #lipsync battle and we gladly accepted. As you can see we all had

a great time filming the video, which we have to point out was done in #onetake! #NorfolkPD is challenging Seattle Police Department, Norfolk Constabulary, Virginia Beach Police Department, and St. Louis Metropolitan Police Department (OFFICIAL) Thanks for watching!!!!

Hi I would like to know what I can do about the people speeding up and down my block. I live in North Queen street. Is there any way that a police officer can man the street some how? It's so bad that I cannot even play ball in front of my house with my son. The drivers don't seem to care when I ask them to slow down. Please let me know if you can help.

Jun 27th, 9:10pm

Melissa

Should I put cones and Speeding signs in the street??? I would like to hear from someone. Thank in advance

Melissa

Please check Bergenfield moms and dads page on Facebook for All of the speeding complaints.. this is an issue for more people than just myself...

Melissa

Sorry to take away your time from posting about you congratulating your chief

Melissa

I may be aggressive but you haven't dealt with this on a daily on my block when I TRY and play
ball with my son!!! I will handle it myself cause no response from BPD is exactly what I knew I
would get!! Exactly what everyone gets. Please come sit on my stoop and hang while we watch
the speeding go on!!!

I see an electronic sign on Wash Ave @ N. Bridge saying it will be closed starting 7/9.

Will there be more specifics? Will it be closed to the Dumont border? Will it be closed overnight? Will there be access from any of the smaller side streets?

I'd like to start figuring out how I will get across town or out of town.

Hi! My car was parked on north washington Ave in a two hour parking zone. Within the two hours I left to do some errands (shopping for my work) and returned a half hour later to a spot pretty close to my original spot. I have a receipt from the store I am in and video footage from our security cameras that I had moved the car! I returned approx [11:45](#) and got a two hour parking ticket [at 1:18](#). I just want to say how frustrated I am that I got this ticket because I was totally on top of the two hour parking. Had to leave [at 1:30](#) for a meeting and I knew I was not in violation!! (My job is marketing so I am always out and about). I am a mother of 5 children and I don't live in Bergenfield so I have to be home for them and don't have time to sit in court and fight it! I'm pretty sure I would win. So now I have to pay a ticket (On my limited right budget) bec some cop decided that I was in violation!! There needs to be a better system like meters or the like so there can't be a cop who just writes out tickets when he (wrongly) thinks someone is in violation. Please help me with this!!![Create Appointment](#)

Shout out to the man who just came to my door and returned my wallet, that I apparently dropped in the middle of the road last night (and never noticed until he showed up with it 😞). I didn't get his name but he said he was a Bergenfield police officer. Tried to give him money to thank him and he refused. Happy to start this New Year knowing there are still some really decent people out there.
