Hi! I'm a former Freehold resident, currently living in Westerville, OH. You may have heard that recently 2 of our Westerville police officer were killed responding to a domestic violence incident. Elena, one of the officer's daughters (11 years old) wants to honor her Dad by wearing K9 shirts from around the country. She wears an adult small. I thought I would reach out since I have a local connection. If you're interested - I can send further details about the address. I'm happy to pay for any postage or packaging. Thank you!

MAR 2ND, 4:14PM

much as we would like to send a shirt we no longer have a K-9 unit. And we never had k9 shirts. I can try and get her a police unity tour shirt which our dept participated in for fallen officers. Email me at jloyer@marlboropd.org with an address and I will get something out to you. My name is Sgt John Loyer and I am the supervisor of our community services and traffic bureau.

With all the negative publicity the police get. I want to take the time to let you know how helpful these two guys were. As a person who has family members who have wore the shield and have served in the military, I know how hard there jobs can be. These two went above and beyond to help me with my car as it broke down on RT 9

Now that Aunt Butchies is opening can we please have more OneWay signs or marks on the roadway of Clayton? Twice now I have had to avoid head on cars going the wrong way at me. Or somehow alert the Royal Pines residents they cannot go the wrong way to get to this place? My neighborhood is the cut thru from Tennent to 9. My street Gary Drive is almost blocked with parked cars on both sides due to this restaurant!! Help please?!!
