Thank you for your question.

[REDACTED] was taken into custody without further or any additional incident. "Without incident" refers specifically to only the arrest and not any related charges. Officers who effect an arrest without any unexpected trouble (i.e. fighting/resisting) have arrested a suspect "without incident".

hey guys, idk if you can do anything about this or post it cause this cats been outside for the past 3 days with no food or water. My friend left water out for her just in case. shes a calico but isn't wearing a collar or anything so idk if it does or doesn't belong to anyone. She's clean with no fleas and her ears are spotless so it looks like she's been taken care of. She was found near Whitesville and Rt. 70 behind the [REDACTED] in the complex. She's a gorgeous cat and if she does belong to anyone I'd love to get her back to her family asap!

Good evening ! I am trying to collect patches from police and fire departments. I am collecting patches to sew onto a quilt and donate to a local organization that helps First responders and their families of first responders injured or killed in the line of duty. it is called [REDACTED]. I am not affiliated with the organization, just someone who wants to make a nice donation for them to auction or raffle off at an event. Would it be possible to receive a patch from your department?
