Hello

Any idea why they removed the new crosswalk by [REDACTED] I know they are paving [REDACTED] but they removed the dip and markings on the sidewalk. It was just finished in June and now it is gone. If you don't know can you advise me who to ask ? Thank you

Toms River Police Department

[REDACTED]...Here a copy-paste of what I got back form my inquiry...

> That was not a cross walk before, so it will not be striped to cross at that location.
> It may have been a temporary crossing because of the project to the north, but the plans don't call for a crosswalk.

> Thank you,

Hello! on Dec 5th around 12:30 pm, I had a  and called 911. A Toms River Police officer in a white suv arrived on the scene super quick to assist me in protocol. I live on  in Toms River. I would like to thank him in a letter with a small donation as a token of my gratitude. can you help me do so? I didnt think to look at his badge or ask him his name. he stayed with me the whole time during the chimney fire. As the fire fighters proceeded to put the fire out. everything was terrifying to me. But the officer made me feel safe. And for that Iam thankful. can i donate? is there a better way to show gratitude? i need to do something.

We looked in our lost and found at the Police Department and do not have a black bag with holiday clothes in it. I did reach out to the town to see if they picked anything up and are storing it. When I hear back from them I will reach out to you to let you know. In the meantime, I hope you found it!

Hello, I was hoping you could help point me in the right direction. I am looking for a place (like a children's hospital or a girls home) to donate a barbie doll house with barbies and a few other accessories. I am not sure where this could be done but I know there must be a place where kids will love to play with it!

Toms River Police Department

at 19:19:59 on 8/13/2018 UTC

That's very kind of you. Have you tried the local pre-schools?

[REDACTED]
at 19:21:37 on 8/13/2018 UTC

I did not even think of that, I am fairly new to the area so I am not familiar with what's around. I will definitely reach out to local pre schools. Thank you.

Also, do you accept donations of new toys for children around Christmas time? I have a few brand new items as well that would be great gifts for kids

Toms River Police Department

at 19:23:57 on 8/13/2018 UTC

Welcome to Toms River. We do have officers that bring toys to Children's Specialized Hospital for the holidays. We appreciate any donations of unopened toys for the children. Thank you for asking!

at 19:24:41 on 8/13/2018 UTC

Perfect! When and where can I donate?

Thank you for your responses and for the services you provide to the community!!

We are not quite ready for the holidays yet. Would you mind holding the items until closer to December? Reach out to me then and I will have more information.

I can definitely hold them until then. I sincerely appreciate your help

Hi 

As a police department it is our duty and obligation to police the entire community and protect our residents. It has never been our position to side with one group over another. We as a police department stand with all residents of this town and do our very best to respect all residents, no matter their race or religion. Although our letter was interpreted by some as too accommodating, its only intent was to make sure everyone installing Sukkahs did so safely and according to code. If we anticipate an issue we prefer to address it in a respectful, informative way instead of fielding complaints and enforcement later. We are doing everything in our power to make sure all residents follow the rules, laws and statutes in effect. We, however, have heard the concerns of some residents regarding our letter and will certainly look at the way we address these issues in the future, and think about the affect it may have on other groups. We appreciate the community's support and understanding of the difficult position we have been in.

Thank you. I just wanted to make sure it was legitimate and not made up to incite commentary.

I just wanted to share our video from our Ring Doorbell taken on the 11th of Dec. We live at  and understand there was an attempted break in on the corner of  and . We registered last night with the operation watchdog link on the TR Police Website. I shared this video on our local HOA page and asked if anyone knew who she was. For all I know she could be a neighbor in the area but I don't recognize her. She knocked on our door, didn't ring the bell and then appears to be texting or recording something on her phone. I just want to make you aware since it's around the same time frame the break in occurred around the corner on
