ARRESTS: January 23, 2019

On January 23, 2019 at approximately 2:00pm Brigantine Police received a call regarding a downed bicyclist near the Brigantine bridge. Officer Craver responded to the area and saw a male standing near an overturned bicycle in the grass/marsh area near the bridge. As she approached him to investigate what happened, the male fled on foot toward the bridge. Officer Craver pursued the male who ran in to traffic on Brigantine Blvd., causing motorists to have to stop abruptly to avoid hitting him. Officer Craver apprehended the male after a foot pursuit underneath the bridge on the U-turn. After a brief investigation police learned that the male, Ahmir J. Nash (22) of Atlantic City, was wanted in connection to previous robbery and drug charges. He was also found to be in possession of a quantity of suspected heroin. Nash was arrested and charged with possession of a controlled dangerous substance, obstruction by flight, and hindering apprehension. He was lodged in the Atlantic County Justice Facility on his warrant.

Also on January 23, 2019 at approximately 6:00pm Brigantine Police received a call regarding an intoxicated male in Wawa spilling coffee on himself. Upon arrival to the Wawa, police identified the male as Ivan A. Diaz (28) of Brigantine and after investigating, determined that Diaz was impaired/under the influence and had driven his car to Wawa. He was also found to be in possession of a quantity of suspected heroin. Diaz was arrested and charged by Officer Devine with driving under the influence of drugs (DWI), reckless driving, possession of a controlled dangerous substance, and possessing a controlled dangerous substance while operating a motor vehicle. He was released in accordance with John's Law to a responsible third party.

These charges are merely an accusation and not proof of guilt. In all criminal cases a charged defendant is presumed innocent until and unless proven guilty.

acquitted by the honorable judge of brigantine. I would like to commend the brigantine police dept. for harassing and discriminating certain individuals. As quick as you are to post the arrest you should also post the acquittals to show the whole picture. Just goes to show you that you can't believe everything you read.

*****RETIREMENT: CAPTAIN ROBERT RUBINO #78*****

Today Captain Robert Rubino #78 signed off the air "Signal 53" for the last time in his career. After 25 years of honorable and dedicated service to the Brigantine community, Capt. Rubino retired from the Brigantine Police Department. There was a great turnout from his coworkers (both active and retired), family, and friends today to celebrate Capt. Rubino and to send him off as he begins the next chapter of his life.

The men and women of the Brigantine Police Department wish Captain Robert Rubino nothing but the best in his retirement. Capt. Rubino was always caring and compassionate to his coworkers and to members of the Brigantine community alike. He always said that he wanted to leave the Brigantine Police Department a better place to work than when he started as an officer, and we can say that he certainly helped do just that. His years of service truly made a positive impact on his workplace and community.

Captain Rubino - may you enjoy many years of health, happiness, and prosperity in your retirement!

It takes a strong family and an even stronger spouse to endure a 25 year career in law enforcement, so we also thank Mrs. Rubino and the Rubino family for the sacrifices you made so that Capt. Rubino could serve with our department. We also thank you for the support you showed him and the other members of our department throughout the years.

For all of our followers – please join us in congratulating Captain Rubino and wishing him the best! Click below to watch the video for Captain Rubino's final radio call with photographs of Captain Rubino throughout the years as well as photographs of his send off today.

together, engaged in a lot fun, went to each other weddings and watched our families grow. For over 40 years, Rob has been my friend and one of the most important people in my life. My police career closed several years ago and now Rob you can enjoy the same feeling. Although you will miss the "guys" you will enjoy the next chapter almost as much as your police career. Wishing you the best, Cheers!!

Stacey Porpora I'm a "newish" dog owner. Do the police have a chip scanner?? Or would it have to make it to a shelter for that?
My dog would be so scared and misunderstood (haha) if she ever got away. Hopefully will never happen, but just wondering...

Joan Kahny Owner was found

at 3:01:55 on 2/05/2019 UTC

Brigantine Police Department Stacey Porpora we don't have a scanner, but local veterinarians and other local agencies (i.e. shelters) do.

Stacey Porpora thanks

Just wondering how it works.

I wouldn't have thought you would or should. Your not animal control! Haha well sort off!! But not that way!!

I had broke doors and NO ONE DID A THING ABOUT IT. IT IS never ending Vandalism on my house and my yard. Constant Criminal Mischief BE SAFE Brigantine God bless you all.
