Theresa Lockwood A name Officer Runkle has always been curious and nice to my face... don't know what reports he wrote about me. I have had experiences of officers being superficially nice to my face and went supposedly FAIRLY well...and wrote slanderous reports on me.

I cannot verify any wrong doing by the presented name of Officer Runkle. ---->>>> BUT HE IS BEING PROMOTED BY CHIEF CODISPOTI WHO PROMOTED CORRUPT COPS FOR VILIFYING AND TARGETING ME...so it makes me question things. To my face he has been respectful and nice. (which doesn't mean much) ...but thats all I know about Runkle. Since I don't always look at people ...because I don't want to remember the face of someone who has done me extremely wrong willfully.... I CANNOT verify that is Runkle as the one who has encountered me. "Rankle Shunkle"

Theresa Lockwood They're NOT Christian. Christians don't believe that God is a person or the Holy Spirit is a person.

But because of your ev!! blasphemous beliefs ...it opens the door to Muslims who believe that the Holy Spirit of Truth is a person...whom they identify as a pedophile Muhammad.

At least we all know you're all not demon possessed....just ev!!.

Because even demons know that God is not a person.

...and if you all were Christian...you wouldn't be silent about the police corruption and actually have an idea what is going on.
