Can someone give me some info about the threats of a shooting tomorrow at the Vineland high school? My son said the police are aware and are going to be at the school tomorrow. Is this true?

Hi, I'm about to purchase a car from a private owner. What are the procedures that I should follow when going about moving it from their home in Bridgeton to my home Vineland. I don't want to get pulled over. I know that some dealers have temp tags but in this case I don't what to do.

Good morning Guys, I hope this message finds you well.

I wondered if you might be able to help me out.

I work for Hampshire Constabulary, a police force in the south of England, as a controller and volunteer police officer. I have been interested in the work of the police for many years and over that time I have been building up a collection of patches and coins from police forces from all over the world.

I wondered if you had a spare patch, like your officers are

wearing on their shoulders and a coin, that you could send me to add to my collection?

In order to verify that I work for a police force, my work e-mail address is:

daniel.whittington.16607@hampshire.pnn.police.uk

My home address is:

14 Thorney Close
Fareham
Hampshire
PO14 3AF
UNITED KINGDOM

Obviously you can contact me on here too.

I really hope you can help.

Kindest regards and keep up the good work.

Daniel Whittington.

Prostitution ring.. Headed by Taylor Mazzuca of Atlantic City NJ. She and her comrades post ads on Back page and service up and down the Jersey shore. They cross check the "johns" by searching for them by cell phone number via Facebook to avoid authorities. Taylor had one prior conviction for prostitution. She drives a late model Acura TL dark tinted windows (R94 HLG) She changes her Back page ads often so be advised. She's a blonde so she's used other people pictures to attract the "johns" She had three phones the main line is 6092710678.
