Theresa Lockwood I did a little investigation on JWarnerWallace from "God'sNotDe@d2." it turns out (well for starters I'm more intelligent in investigation than he is) NEXT! Hes ANOTHER hypocritical ly!ng scam artist. So I know he was going to block me after I gave him THE FACTS! He's completely. So he says he grew up atheist with no Christian influence around him. Then he turns around and says he grew up Mormon. (Of course he said Mormons aren't Christians. Which is true. But what he is teaching now as hes falsely claiming to be Christian. Is still NOT Christian and atheist. Hes actually following and teaching OTHER PEOPLES FALSE DOCTRINES and merging cr@p with,"forensics" or at least tries. HE THINKS he has a CASE FOR CHRIST. IN REALITY HE ACTUALLY IS CREATING A CASE FOR ANTI-CHRIST! He has his Youtube videos blocked so no one can comment on them. I also found out by listening to him that what he claimed in the movie,"God's Not De@d 2" IS ACTUALLY WORK STOLEN FROM ME! Which I claimed in the Nazarene church (Ramoth Church) and said that different perspectives of the bible are from different eye witnesses accounts and the discrepancies is normal. When I watched the movie. (not agreeing with everything in it, but much better than the messed up 1st one) I thought it could be possible that someone sees what I saw and he saw it from experience) I did not though agree w/ everything in his statement. AFTER MY INVESTIGATION OF HIM! I REALIZED THAT IT WAS STOLEN FROM ME...VERY POSSIBLE COMING FROM CONNECTIONS OUT OF VINELAND Ramoth church Aka Vineland 1st church of the Nazarene & the cult ridden Vineland, NJ Police Department who was stealing my work and mixing and twisting it with their ev!! delusions. They still continue the abu\$es of the Nazarene church. They are basically doing what the catholic church did when they hid true Christian teachings mixed with perversion in the quran to try to bury the Christ. (figuratively speaking)The Vineland, NJ Police Department also stole many statements of mine and had other people copyright them. They even did this to my statement of people who want to d!e, mostly don't want to d!e, but live and d!e from the pain. They also had some one copyright my

statement about the law as I described it like a guard rail to keep people on the road. There was another one they gave to someone else as I said in response to a false teaching of Ramoth church & Calvary Chapel and other false secular doctrines today as I said, "Joy Never leaves you." I said that against irrationality of claims that one can experience many times of exciting joy & grievances in their life. ..because the churches ARE secular! The Vineland Police & churches in my town are persecuting me, slandering me and stealing my knowledge & work and claiming it for themselves. Making money off of it and a name for themselves...and mixing and twisting it with ev!! like the ev!! quran.

Cindy Shackleton My best friend closed his eyes last night,
As his head was in my hand.

The Doctors said he was in pain,
And it was hard for him to stand.

The thoughts that scurried through my head,
As I cradled him in my arms.
Were of his younger, puppy years,
And OH...his many charms.

Today, there was no gentle nudge
With an intense "I love you gaze",
Only a heart thats filled with tears
Remembering our joy filled days.

But an Angel just appeared to me,
And he said, "You should cry no more,
GOD also loves our canine friends,
HE's installed a 'doggy-door"!
