State Police Seeks the Public's Assistance in Homicide Investigation

Fairfield Township, Cumberland County - The New Jersey State Police and the Cumberland County Prosecutors Office are seeking the public's assistance with the investigation of the shooting death of Rickie Harris, 22, of Fairfield Township.

On April 7, at approximately 11:40 p.m., troopers from the Bridgeton Station were called to 18 King Drive for the report of a shooting. Once the troopers arrived at the residence, they found Harris laying on the ground suffering from multiple gunshot wounds. Harris was taken to Cooper University Hospital in Camden where he was later pronounced deceased.

Anyone with information that could assist in this investigation should contact Detective Sergeant Glenn Garrels of the New Jersey State Police, Major Crime Unit at (609) 561-1800 ext 3355.

Help us get this killer off the street!

Theresa Lockwood They're only posting this for their image. These Vineland Police are r@cist . They don't post about other blk people missing. They even use their own blk officer to offset so no-one can make claims against them for clicking up...as most of those click ups are !talian men. ...the rest are distractions to hide it...not that you can do much to control it...since many are just looking for take over.

Theresa Lockwood This is sickening. Chief Codispoti is far from a Godly man and very corrupt . He is using these chaplains to hide his crimes behind. As he is trying to make a name for himself, using Gods name in vain. He is knowingly and deliberately using abusive cult leaders who are corrupt in this propaganda program he himself started. This ev!! man has used police to target and gangstalk me and also uses corrupt churches to partake in this bullying. Chief Codispoti has slandered me so much to people to cover up his crimes and because I am a REAL genuine Christian. Its very easy for him to use false Christians. They have used these church cult false Christians to misrepresent the Romans 13 propaganda. where they are brainwashing and manipulating people that every officer and militant are ministers of God and any terror on people innocent or guilty is Gods terror and wrath on them. Which they do this against anyone they think is a dissident. Even if that dissident is practicing true Justice. This m @dman is a criminal; who lies to the public and covers up Police crime as even as bad as murd3r...and will target and isolate and falsely charge and beat people who protest against their crimes. They even refuse service to anyone who does not honor them as sovereign heros. He uses corrupt churches to attack Christians. Their own officers who actually practiced justice

whistleblew against them as have I. They threaten, target and harass with psychological abuse anyone who questions their crimes. They lie to their own officers and exploit them. They refuse and control reports and even slander innocent people in reports.

Theresa Lockwood This is a LIE! ITS MANIPULATIVE!! Though you may not be deleting post you are using facebook to control comments from being seen. Like mine!!! I just called your police department of Internal Affairs about this MANIPULATIVE LIE! Which involves oppressing

others such as also myself. Others may mistakenly to believe your deleting posts because you are controlling posts from being seen by others. You are using facebook to control that other do not see particular posts of others DELIBERATELY...as you found another way to suppress from people from being heard. All this time I have been commenting. It does appear if you look at it from another account that you are deleting comments. Don't play this sick game and manipulate. ...because someone from your department is doing this. ...and you are the one who has been manipulating Tom Ulrich. ..and yes it is true that you are controlling comments from being seen by others and controlling that other comments cannot be seen by us, unless they are on our own friends list. ..and yes I did just make a video about it. STOP CALLING PEOPLE A LIAR WHILE YOUR DELIBERATELY MANIPULATING THE SITUATION! ...EVEN IF OTHERS... GET THE FACTS WRONG DOES NOT MEAN THERE ISN'T SOMETHING LIKE IT THAT THEY COULD BE PERCEIVING IT WRONG..DOESN'T MEAN THERE IS NOTHING WRONG!!!

...BUT THIS COMMENT IS NOT WRONGITS THE FACTS!!! AND TRUTH!!!

Theresa Lockwood Anyway....its NOT a non interactive page. You also have deleted comments in the past of mine and blocked me until I called to be unblocked. When activist made complaints for their rights because it is a government page. You have deleted a number of comments of mine when you 1st made the page. Which were friendly comments. My comments were deleted and attacked for making a statement of I thank God. Then they were deleted and I was told this was not a religious page. My other comments were deleted (not all) and I was told this was not a forum. Then after that you promoted an abusive cult of Jason Scalzi that I reported for harassment. Not an initial complaint. These comments and blocking were by Cpt. Tom Ulrich.

Which Cpt. Tom Ulrich has INTERACTED with other people ...and bullied me. I HAVE BEEN BLOCKED FOR ABOUT 3 YEARS OFF THIS PAGE!!!

Theresa Lockwood You have deleted my comments in the past and have blocked me off this page for 3 years. You have INTERACTED with me with BULLYING ME AND DELETED MY POST.

THE POSTS THAT WERE DELETED WERE CPT TOM ULRICH TELLING ME THAT THIS IS NOT A FORUM AND DELETING MY COMMENTS AND SAYING THIS IS NOT A RELIGIOUS FORUM!!! AND THEN BLOCKING ME!!!

HE TOLD EX-MAYOR ROBERT ROMANO TO BLOCK ME OF OF THE MAYORS PAGE AS ROMANO TOLD ME HIMSELF THAT HE TOLD HIM TO BLOCK ME.

**Cover Photos****Version:** Current**Tags:** edited, hidden**Theresa Lockwood** Officer Jason Scalzi has been using blks and taking pictures with them and your kids so he don't get attacked. ..because he has been reported making racists

comments and insinuations of blk people. I know this personally in a conversation where he had to pick out his partner at the time who was a blk officer. I was near the bank on 7th and Landis and he came up to me and his partner from another direction from his car. He asked me what music I was listening to for small talk and pointed to his partner to question me if Jesus could be blk. It made me and him uncomfortable as I saw the look on his face and thought Officer Jason Scalzi was just indignant and ignorant. I just looked at Officer Jason Scalzi and said, "Why not? Jesus can be blk." With a slight attitude toward Officer Jason. This is why they are having those basket ball contests to attract trends of a certain ethnic group to distract their own bigotry from attacking the blk community. If you can't find out that their using you. You need to wake up.
