Theresa Lockwood Well I wonder if they are going to do what they have done before... having the X-mas parade lead by way military drill sgts and old army tanks...and making little girls do can-can dancing. (which can-can dancers were brothel prost!tutes. I am sure they will have their ev!! elves in there too. Did you know that elves first originated by a folklore that were trolls claimed they were r@ping women and girls in their sleep. I am sure it was a cover up as they kept the people ignorant while their daddys where r@ping them. Why did they put all of these things??? TO MOCK CHRISTIANS AND RUIN THEIR CHRISTMAS.

Theresa Lockwood If its seasons greetings then why don't they do this for every season? Why don't you people just put, "winter greetings." They can have summer greetings, spring greetings or autumn greetings. ...or they can just call it, "climate change" greetings as the climate changes every season. On the 1st day of every season I am going to say seasons greetings. Well...if I wake up that day....oh and if I find it still important...even though I don't know.

sorry...being that I was attacked by your retired wacko Tom Ulirch who called my intelligence, "ramblings." and blocked me. I figured I would just ramble....but then again...it was done by the cult abusers of the Nazarene FAKE Christians who did damage to me...and mocked me because of it....y0u sat@nist s@dist.

Theresa Lockwood A name Officer Runkle has always been curious and nice to my face... don't know what reports he wrote about me. I have had experiences of officers being superficially nice to my face and went supposedly FAIRLY well...and wrote slanderous reports on me.

I cannot verify any wrong doing by the presented name of Officer Runkle. ---->>>> BUT HE IS BEING PROMOTED BY CHIEF CODISPOTI WHO PROMOTED CORRUPT COPS FOR VILIFYING AND TARGETING ME...so it makes me question things. To my face he has been respectful and nice. (which doesn't mean much) ...but thats all I know about Runkle. Since I don't always look at people ...because I don't want to remember the face of someone who has done me extremely wrong willfully.... I CANNOT verify that is Runkle as the one who has encountered me. "Runkle Shunkle"

Theresa Lockwood They're NOT Christian. Christians don't believe that God is a person or the Holy Spirit is a person.

But because of your ev!! blasphemous beliefs ...it opens the door to Muslims who believe that the Holy Spirit of Truth is a person...whom they identify as a pedophile Muhammad.

At least we all know you're all not demon possessed....just ev!!.

Because even demons know that God is not a person.

...and if you all were Christian...you wouldn't be silent about the police corruption and actually have an idea what is going on.

Anthony Ippolito DOES NOT KNOW WHAT HIS "FATHER" Frank Ippolito IS DOING! ---- HE CAN'T DISCERN LIKE HIS DAD!!!
 Anthony Ippolitos OWN DAD LIES TO HIM!!!
 ----- All of Frank Ippolitos SONS play musical instruments. (nothing wrong with that) UNLESS thats ALL they did as they were being FALSELY INDOCTRINATED. ..in that FRANK IPPOLITO MADE THEM/(Anthony) his NEXT successor! ----- Which is EMPTY of the TRUE GOSPEL AND REALITY!
 ----- Frank Ippolito ATT@CKED & SILENCED ME....because LIKE OTHERS....He KNOWS I SEE HIM for the EVIL THAT HE IS!

 MANY YEARS AGO...FRANK IPPOLITO BLOCKED ME ON FACEBOOK after I commented on a post of theirs as Frank Ippolito posted a post ABOUT INJECTED COMPUTER CHIPS UNDER THE SKIN BEING THE MARK OF THE BEAST!
 ----- So I CORRECTED the false idea, with simply knowledge. Simply explaining the difference between the mark of Christ and the mark of the anti-Chirst and that the ,"chip" had NO relation to the mark of the beast.

Theresa Lockwood It was so funny though that Vineland, NJ Police Department National night out was rained on after Vineland police chaplain Gary Holden did a false prayed in vain, thank," god" for it not raining. Gary Holden thanked God in the prayer that,"there are no rain drops falling on us." So it rained and I sat right in the middle of the field in my fold up chair. Just praising God in the rain with my face up to the sky and my hand out sitting in this rain. It was so funny.

John Barrett ****Stolen****
 2004 Honda TRX 450R

Was stolen in April and recovered by Millville Police. Was transferred to Vineland Police for some reason. I've been trying since April to get ahold of Vineland Police so I can pick it up. NJSP and Millville PD even contacted Vineland PD on my behalf. I was never given any information about whether or not they had it in their possession. My name and number was taken and I was assured that an officer would be in touch within the hour.

A Vineland detective finally reached out to me July 24, after I called there every day the week prior and told me it was stolen from their impound lot on June 11.

Hello. My name is Tania Pomales. These are my dogs. Went missing 12/14/15 on Park Avenue headed towards East Avenue in Vineland, NJ. The furry one is Brownie. He's very friendly. Will walk up to you if you call him by name. The short haired one is Cinnamon. Friendly as well. Shy but will come up to you if you call her. They both love treats. Especially cheese. They are about 2 years old. Mixed breed with chow and husky. I've had them since they were puppies and I love them dearly. I am so distraught right now because I can't find them and no one has picked them up. They have 4 furry siblings who are just as sad as me and my parents right now. Please, share this post with people in the area who can help. Will be rewarded if found. Please. Thanks.

Call or text 856 466 3183 if found

Lost my dog because of inconsiderate people shooting fireworks directly behind my house. I've been looking for her for a long while now.

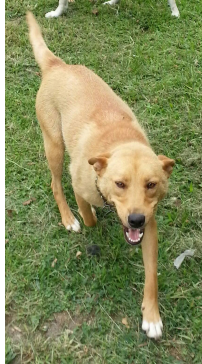

Her name is Cinnamon. She is Caramel colored with white tipped paws. Choker style collar and tags. I live in Vineland, on park Avenue between 7th and 8th streets.

My phone number is 8564663183.

This dog was reported missing yesterday. Named Pulga. Responds to Pulga/Pulguita. Small dog lost between 7th and 8th streets on Park avenue, but she could be anywhere now because of the weather. She doesn't even weight 20 pounds because she's so little. My mother Carmen Pomaes called in to report her missing yesterday evening. I have looked everywhere including Landis Park but didn't find her. If anyone reports this dog as found, please call 856 466 3183.

I just found this in my yard. I live at 723 East Park Avenue and I know for a fact it is coming from the backyard neighbors at peach street. I have called several times about this. I have spoken to these people and they have admitted they buy and explode illegal fireworks in their yard. Here's your proof. I'm sick of this. I've called so many times that the department probably thinks I'm a nuisance caller. I have dogs. The fireworks and constant lack of respect for the surrounding houses is animal abuse and just plain illegal.

730 east peach to be exact.

at 19:59:24 on 7/04/2017 UTC

Not to mention this could have set my yard or fence on fire. I don't know what else I have to do to make this stop. Please help.

I've only heard them blow something up twice today. They haven't done anything else. I hope maybe they realize that what they are doing its a good idea.

I live at 723 east park avenue in Vineland, and every day for the past week between 5:45pm and 6pm there is a loud explosion around the 800 block of East Park or the side streets near there. It sounds almost like a mortar style firework or possibly a weapon such as a shot gun. It is extremely loud and startles everyone and their pets. I just wanted to inform you since it is a daily occurrence now it seems, and if it is something like a weapon, perhaps that's not safe.
