 Alpha, New Jersey replied to George Runyon's comment.

George Runyon yes. He was a good boy!

 Alpha, New Jersey updated their status.

Jersey Central Power & Light will be conducting our Annual Vegetation Management Aerial Patrol. Vegetation Management Aerial inspections are scheduled during the April through September time frame on an annual basis and cover all transmission facilities system-wide. Patrols consist of a Forestry Specialist that accompanies the pilot to identify effectiveness of prior year's herbicide application a...
