Re: Open Public Records Act Request

Dear Mr. Epstein:

As you know, I am the Business Administrator and Custodian of Records for the Pinelands Regional School District Board of Education (the "Board" or the "District"). On December 15, 2017, I received a request for records (the "Request") pursuant to the Open Public Records Act ("OPRA" or the "Act"). The Request seeks "All facilities use requests for the high school building, between the months of June and October 2017." Attached you will find the documents requested.

Upon your review of the above should you have any further questions please do not hesitate to contact me.

Sincerely,

Stephen J. Brennan, MBA, CPA
Business Administrator/Board Secretary
