Re: records request dated April 13, 2026

Dear Mr. Tanglao:

This office received a records request citing the Open Public Records Act (OPRA) and the common-law right of access from you via email on Monday, April 13. Specifically, you requested the following records as they pertain to defendants you identified as Leo Morabito, John Corozza (sic), and Rashawn Tucker (sic):

1. *"Final judgments; and*
2. *Plea agreements."*

Attached to this email please find copies of responsive records. Please note that limited portions of these items have been partially redacted in order to omit personal identifying information, the release of which would violate an individual's or individuals' personal rights to privacy; *N.J.S.A. C:47:1A-1* mandates that "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy."

With this, your request is considered fulfilled.

Should you disagree with any portion of this determination, you may appeal to the Government Records Council or the New Jersey Superior Court as provided by *N.J.S.A. 47:1A-6* and 7. In the event of a clarification or appeal, this office reserves the right to raise any other ground for denial not raised in this response. The failure of this office to assert an exception or privilege at this time does not act as a waiver of any grounds for denial.

Very truly yours,
RAYMOND S. SANTIAGO
MONMOUTH COUNTY PROSECUTOR
