Dear ROBERT A LEBRUN:

Congratulations on being certified in the title indicated above, and in obtaining national accreditation from the International Fire Service Accreditation Congress (IFSAAC) and the National Professional Qualifications System (NPQS), also known as ProBoard. The national accreditation numbers listed under the seals are your national registry tracking numbers associated with your New Jersey Certification. Let me commend you on your professional attitude and desire to provide a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency to national accreditation standards.

Many New Jersey certifications do not have a lapse date, however, others do have a three year certification cycle which includes continuing education renewal requirements. Please check your certificate to determine if there is a lapse date associated with your certification. You are invited to register on the Internet to attend Division of Fire Safety training programs on a variety of topics. Please review the Spring and Fall semester training brochures at: <http://www.nj.gov/dca/divisions/dfs/> or <http://www.keanfiresafety.com/>. Again, I would like to extend my congratulations to you on your accomplishment and trust you will be placing the above certification on your wall with justifiable pride. Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) 777-3552 if we may further assist you.

Dear ROBERT A LEBRUN:

Congratulations on being certified in the title indicated above. Let me commend you on your professional attitude and desire to provide a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency in this specialty.

Many New Jersey certifications do not have a lapse date, however, others do have a three year certification cycle which includes continuing education renewal requirements. Please check your certificate to determine if there is a lapse date associated with your certification. You are invited to register on the Internet to attend Division of Fire Safety training programs on a variety of topics. Please review the Spring and Fall semester training brochures at: <http://www.nj.gov/dca/divisions/dfs/> or <http://www.keanfiresafety.com/>. Again, I would like to extend my congratulations to you on your accomplishment and trust you will be placing the above certification on your wall with justifiable pride. Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) 777-3552 if we may further assist you.

Sincerely,

Dear **ROBERT A LEBRUN**:

Congratulations on being certified in the title indicated above, and in obtaining national accreditation from the International Fire Service Accreditation Congress (IFSAC) and the National Professional Qualifications System (NPQS), also known as ProBoard. The national accreditation numbers listed under the seals are your national registry tracking numbers associated with your New Jersey Certification. Let me commend you on your professional attitude and desire to provide a valuable service to your community. The division staff joins me in congratulating you on having demonstrated your competency to national accreditation standards.

Many New Jersey certifications do not have a lapse date, however, others do have a three year certification cycle which includes continuing education renewal requirements. Please check your certificate to determine if there is a lapse date associated with your certification. You are invited to register on the Internet to attend Division of Fire Safety training programs on a variety of topics. Please review the Spring and Fall semester training brochures at: <http://www.nj.gov/dca/divisions/dfs/> or <http://www.keanfiresafety.com/>. Again, I would like to extend my congratulations to you on your accomplishment and trust you will be placing the above certification on your wall with justifiable pride. Please do not hesitate to contact the Division of Fire Safety, Office of Training and Certification at (609) 777-3552 if we may further assist you.

**VIA EMAIL**

Mrs. Dianne Kelly:

I am a highly active Firefighter/EMT, and I have continued learning the skills required of firefighting and emergency medical operations. Over nine years ago, I completed the classes and requirements necessary to become a Fire Inspector and Fire Official as well as recently completed Fire Instructor II and Fire Officer II. My interest is in the recently vacated Supervisory Firefighter position.

Currently, I am a Firefighter/EMT for Prince William County Department of Fire and Rescue in Virginia. I also work as a part-time Fire Inspector and Zoning Officer for East Windsor Township. I just completed a two-year term as the Volunteer Deputy Fire Chief in East Windsor Township. Immediately before this position, I was a Firefighter/EMT in Westampton Township, New Jersey, as well as in Plainsboro and Upper Freehold Township. Previously, I worked for the State of New Jersey Division of Fire Safety. The positions I hold now and those I have held in the past have made me a well-disciplined and efficient worker. Moreover, I think it is important to be able to help the people of the community in their time of need from the beginning to the end of an incident and to help share my vast amount of knowledge and skill sets with other Firefighters.

My immense interest in the fire service is complemented by my experience and knowledge. For years, I have been searching for a job such as this in New Jersey, but have found few towns or facilities with openings. In addition, I would be able to execute the position's duties very well, and I hope to be an asset to your Department. While in Westampton Township, I was part of numerous part time hiring processes and detailed to special assignments in training and the Fire Prevention Bureau. There were hundreds of hours where I performed as the acting officer of the shift, supervising those on staff, and coordinating staffing. As the East Windsor Deputy Chief, I had been responsible for the procurement of equipment, supplies, and apparatus, which entails bids, negotiations, and purchase orders. As Deputy Chief, I was the incident commander during calls, supervising all operations on the scene. Also, I have a list of certifications to supplement my background, and I consistently take more courses to better myself and attend conferences all over the country.

I would greatly appreciate the opportunity to interview for the position or to speak with the staff to gain an understanding for the type of individual the Department is looking to add to its staff. Of course, I would gladly provide the Department with any additional information and copies of any certifications that may be needed. Thank you for your consideration and time. Please do not hesitate to call me with any questions.

Sincerely,

Robert A. LeBrun

Mrs. Dianne Kelly:

I am a highly active Firefighter/EMT, and I have continued learning the skills required of firefighting and emergency medical operations. Over nine years ago, I completed the classes and requirements necessary to become a Fire Inspector and Fire Official as well as recently completed Fire Instructor II and Fire Officer II. My interest is in the recently advertised Captain/Firefighter position.

Currently, I am a Firefighter/EMT for Prince William County Department of Fire and Rescue in Virginia. I also work as a part-time Fire Inspector and Zoning Officer for East Windsor Township. I just completed a two-year term as the Volunteer Deputy Fire Chief in East Windsor Township. Prior to this position, I had three years of supervisory firefighting experience as a Captain as well as three years of experience as a Lieutenant before that – thus, giving me a total of eight years of supervisory firefighting experience. Immediately before my employment in Virginia, I was a Firefighter/EMT in Westampton Township, New Jersey, as well as in Plainsboro and Upper Freehold Township. Previously, I worked for the State of New Jersey Division of Fire Safety. The positions I hold now and those I have held in the past have made me a well-disciplined and efficient worker. Moreover, I think it is important to be able to help the people of the community in their time of need from the beginning to the end of an incident and to help share my vast amount of knowledge and skill sets with other Firefighters.

My immense interest in the fire service is complemented by my experience and knowledge. For instance, I am qualified to operate all types of fire apparatus – from aerial trucks to fire engines and tankers. I have been continuously responsible for creating, coordinating, and maintaining training programs and drills for multiple departments. In addition, I would be able to execute the position's duties very well, and I hope to be an asset to your Department. While in Westampton Township, I was part of numerous part time hiring processes and detailed to special assignments in training and the Fire Prevention Bureau. There were hundreds of hours where I performed as the acting officer of the shift, supervising those on staff, and coordinating staffing. As the East Windsor Deputy Chief, I was responsible for the procurement of equipment, supplies, and apparatus, which entails bids, negotiations, and purchase orders. As Deputy Chief, I was the incident commander during calls, supervising all operations on the scene. Also, I have a list of certifications to supplement my background, and I consistently take more courses to increase my knowledge and maintain awareness of changes in firefighting techniques by attending conferences all over the country.

I would greatly appreciate the opportunity to interview for the position. Of course, I would gladly provide the Department with any additional information and copies of any certifications that may be needed. Thank you for your consideration and time. Please do not hesitate to call me with any questions.

Sincerely,

Robert A. LeBrun
