Our water tender 36-14 is still out of service. This is an important asset to our town. We currently have tenders from Elk and Woolwich covering us in the event of a fire.

36-18 will be returning to service this week after being taken OOS for repairs. 36-18 was damaged while exiting our building while responding to a MVC with entrapment.

We are still looking for members. Applications can be picked up at the Firehouse on Monday nights

We will be escorting Santa around Town December 12th with a rain date of the 19th

William Michels
Chief Harrisonville Fire Department

The firehouse would like to thank the Mayor for his recent help with the clean up of storm damage.

We are still looking for members. Applications can be picked up at the Firehouse on Monday nights

We are now working with Woolwich on coordinating our training

Reminder to our residents to be extra vigilant at intersections, there has been an increase in the number of MVC.
