Fire Department Actions

1/9/2025 1:09:29 PM

----OFFICER----> LIEUTENANT 43-4 - CHRIS REILLY

----ACTIONS----> Units responded to the area of 57 Orangeburgh Road for a report of a gas line struck. Upon arrival, 43-2 confirmed that Veolia Water was working in the roadway due to a water leak when the crew hit a gas line. There were no obvious signs that the gas line was actively leaking and Veolia reported that the line could have been old and no longer used. A crew from 43-Squad checked the surrounding area with negative gas readings and the scene was turned over to PSE&G.
