Actions Taken**Department**

Suppression - Structural Fire
Suppression - Inside the Building

Actions Taken

Truck 1 Chief | Personnel

Torres, Kyle	Command And Control - Establish Incident Command
---------------------	--

Narratives

Truck 1 Chief

ERFD dispatched for a working house fire with occupants trapped. Chief Torres arrived on scene and established command. ERPD units confirmed that all occupants were accounted for and out of the building. As I performed a 360 of the building, heavy black smoke was emanating from the second floor from the rear windows. Engine 3 arrived on scene and stretched a hose line to the second floor. It was confirmed that the fire was contained to the oven in the kitchen area with no extension. A secondary search of the home was conducted with negative results. Ventilation was performed and the scene was turned over to fire prevention.
