

Gun Permits

- N.J.S.A. 47:1A-1.1 exempts:
 - personal firearms records, except for use by any person authorized by law to have access to these records or for use by any government agency, including any court or law enforcement agency, for purposes of the administration of justice.
 - personal identifying information received by the Division of Fish and Wildlife in the Department of Environmental Protection in connection with the issuance of any license authorizing hunting with a firearm. For the purposes of this paragraph, personal identifying information shall include, but not be limited to, identity, name, address, social security number, telephone number, fax number, driver's license number, email address, or social media address of any applicant or licensee.
- In Galligan v. Twp. of West Deptford (Gloucester), GRC Complaint No. 2013-163 (March 2014), the Council noted that although the complainant's request preceded the amendment to OPRA for personal firearms records, it was important to acknowledge that this exemption now exists within OPRA.
