Responding via Email only as requested

Dear Sir/Madam,

The Township of Harrison received your Open Public Records Act (OPRA) request on February 7, 2020. The official Records Custodian, Diane Malloy, received your OPRA request on February 7, 2020. As such, the seven (7) business day deadline to respond to your request is February 19, 2020. This response to your request is being provided to you on the [5th] business day after receipt of said request.

The following information is being provided and will be considered responsive to your request:

You are requesting 'Any and all information and/or records generated....' 'Any and all' is an overly broad request and does not specify a particular government record. That being said, in the spirit of cooperation I have attached the requested records. Please be advised that the township is not required to 'create' records based upon your request, so a Record Index will not be included with any of your requests. If you have any questions you may reach me at (856) 478-4112.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the Township of Harrison to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council (GRC) by completing the Denial of Access Complaint Form.

You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The GRC can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Diane L. Malloy
Municipal Clerk
