April 17, 2018

Dear Sir/Madam:

The Township of Wall Police Department ("Wall PD") Records Custodian received your Open Public Records Act ("OPRA") request on April 10, 2018. Wall PD is responding to your request within seven (7) business days after receipt of your request as required by New Jersey law. See N.J.S.A. 47:1A-5.

For ease of reference, your OPRA request seeks the following:

1. *Most recent list of all Wall Township's fleet vehicles (if known, for example Police Interceptor), year(s) of manufacture, year(s) of purchase, purchase price for each fleet vehicle.*

As a threshold matter, please be advised that your request is invalid because it fails to identify with reasonable clarity the specific government records sought and constitutes a "blanket request" for a various class of documents. See Murphy v. N.J. Dept. of Corrections, GRC Complaint No. 2015-340. The request may not be a description of information that requires the custodian to search the agency's files and "analyze, compile and collate" the requested information. Id. See also MAG Entm't, LLC v. Div. of Alcoholic Beverage Control, 375 N.J. Super. 534, 549 (App. Div. 2005).

Notwithstanding the invalid nature of your request, and without any waiver or prejudice to any objections to same, Wall PD conducted a good faith search for records potentially responsive to your requests. Wall PD has identified one responsive record that only contains the year of manufacture, manufacturer of vehicle, and model.

Your OPRA and common law request is now deemed answered and closed. Thank you for your prompt attention to this matter.

Sincerely,

Kevin R. Pressey
Records Custodian
