Dear Sir or Madam,

The Township of Howell received your Open Public Records Act (OPRA) request on April 9, 2018, via email at 4:46 p.m. after regular business hours. The official Records Custodian, Penny Wollman, received your OPRA request on April 10, 2018. As such, the seven (7) business day deadline to respond to your request is April 19, 2018. This response to your request is being provided to you on the 5th business day after the custodian's receipt of said request.

Your OPRA request sought access to the following:

Most recent list of all Howell Township's fleet vehicles (if known, for example Police Interceptor), year(s) of manufacture, year(s) of purchase, purchase price for each fleet vehicle.

You were provided with a redacted list of police vehicles on April 17, 2018.¹ On April 17, 2018, after you were provided with the records for police vehicles, you wrote to the Township via email and clarified you would, "like a list of all township fleet vehicles, not just the police department." This list was provided to you with the VIN numbers redacted on April 17, 2018. The table below identifies records that were denied in whole or in part as well as the legal basis for each denial, as is required by *N.J.S.A. 47:1A-6*.²

¹ These records were transmitted to you via electronic mail, as per your request.

² A list of OPRA's exemptions is attached to this response letter.

List of all records responsive to OPRA request (include the number of pages for each record).	List of all records provided, <u>with redactions</u> , or denied in their entirety.	If records are disclosed with redactions, give a general nature description of the redactions.	If records were denied in their entirety, give a general nature description of the record.	List the legal explanation and statutory citation for the denial of access to records in their <u>entirety</u> or <u>with redactions</u> .
1. Most recent list of all Howell Township's fleet vehicles (if known, for example Police Interceptor), year(s) of manufacture, year(s) of purchase, purchase price for each fleet vehicle; 2. List of all township fleet vehicles, not just the police department	1. Most recent list of all Howell Township's fleet vehicles (if known, for example Police Interceptor), year(s) of manufacture, year(s) of purchase, purchase price for each fleet vehicle; 2. VIN Numbers are information that is in the Motor Vehicle Commission's database and therefore not government records; Exclusion of undercover vehicles was done to protect surveillance techniques which, if disclosed, would create a risk to the safety of persons, property, electronic data or software;

				and because disclosure may reveal: the identity of a confidential informant, a confidential source, a citizen informant, or undercover personnel; or an agency's surveillance, security, tactical, investigative, or operational techniques, measures, or procedures, which, if disclosed, would create a risk to the safety of persons, property, electronic data, or software, or compromise an agency's ability to effectively conduct investigations.
--	--	--	--	---

You were not provided with a purchase price list because the Township does not maintain such a record.

If your request for access to a government record has been denied or unfilled within the seven (7) business days required by law, you have a right to challenge the decision by the [insert name of agency] to deny access. At your option, you may either institute a proceeding in the Superior Court of New Jersey or file a complaint with the Government Records Council ("GRC") by completing the Denial of Access Complaint Form. You may contact the GRC by toll-free telephone at 866-850-0511, by mail at P.O. Box 819, Trenton, NJ, 08625, by e-mail at grc@dca.state.nj.us, or at their web site at www.state.nj.us/grc. The Council can also answer other questions about the law. All questions regarding complaints filed in Superior Court should be directed to the Court Clerk in your County.

Sincerely,

Penny Wollman

- 24) Privacy Interest - "a public agency has a responsibility and an obligation to safeguard from public access a citizen's personal information with which it has been entrusted when disclosure thereof would violate the citizen's reasonable expectation of privacy."

Burnette v. County of Bergen, 198 N.J. 408 (2009). Without ambiguity, the court held that the privacy provision "is neither a preface nor a preamble." Rather, "the very language expressed in the privacy clause reveals its substantive nature; it does not offer reasons why OPRA was adopted, as preambles typically do; instead, it focuses on the law's implementation." "Specifically, it imposes an obligation on public agencies to protect against disclosure of personal information which would run contrary to reasonable privacy interests."
