Please note that for the monthly fees in My School Bucks they will appear as one yearly fee that is paid in monthly installments. This allows features such as auto-pay to work. The monthly fees can still be adjusted when changes are emailed to the BR CAREs Coordinator. Fees will not be removed or reduced unless the Coordinator is notified the month prior to the change taking place. The \$65 registration fee is not included in the chart and these prices do not take MSB's 5% transaction fee into account. MSB's transaction fee can be avoided for the monthly fees by paying by check but is required for registration.
