Subject: RE: Juneteenth Celebration @ Midtown Commons Park
Date: Thursday, June 13, 2024 1:58:12 PM

Good afternoon Dianna,

DPW will be able to take care of all these items minus power-washing the park – unfortunately the Department is severely under-resourced this week with several employees out for various reasons. Trash/recycle bins, barricades and port a potties will all be there tomorrow. The street has been swept and Township lots along West Lake Ave have been mowed. Please note that a check of the 8 electrical outlets on site determined that 2 are faulty; those have been labeled out of service.

Hope this helps – and that the weather forecast holds for you!

Gina

Subject: Juneteenth Celebration @ Midtown Commons Park

Good Morning All, I'm just following up on the park for our Juneteenth Celebration this Saturday 6/15/2024. We are in need a Port A Potty, garbage and recycling cans and power washing the park. A DJ and choir will be using electricity during the program from 10-1pm. The DJ will start playing respectfully at 9:45am. Please don't hesitate to call if needed

As always, the cooperation we receive from Public Works is outstanding and greatly appreciated.

Respectfully,

Dianna Harris [REDACTED]

Juneteenth Planning Committee (Chairperson)

Hey Gina,

We had a crew out there weed wacking the course just before Memorial Day. They also took down several large branches that were becoming issues on the course and adjacent sewer roadway. The course was sprayed one time, and is on the schedule to be sprayed again. (the sprayer has also been down due to parts on backorder. It was back up as of Friday afternoon).

Dave is correct that while we do try to get out there once a week, it does not always happen like we would like it too. I spoke to Frank from the Disc Golf club late Friday evening and advised him we would get out there this week and address any issues, including the knotweed.

I also informed him that the shed he has been asking for for their maintenance tools and lawnmower's is in the works now.

Subject: FW: Fleet List

Good afternoon all,

Mayor York and Committeeman Stroud have requested a master fleet list that indicates to whom each vehicle is assigned. My assumption is that, at present, no such list exists, and beyond those employees who are contractually provided take-home vehicles, I am not aware that any other vehicles are specifically assigned to anyone.

That being said, for each Department can you please provide me with a list of any vehicles assigned to your Department (whether a take-home vehicle or otherwise) that are also assigned for whatever reason to a specific employee? Melissa can you please assist where applicable?

Thank you
Gina

Dave,

Thank you for meeting with us on Tuesday. Here is the list we discussed.

Trash cans at high School fields like 7 sets.

Dumpster at Sunshine.

Traffic horses to block off one side of streets in to sunshine.

Extra h/a and no parking signs.

Trash pick up on Sunday at Sunshine and high school.

One way sign and barricade at Sunshine.

Move goals from Sunshine to high school.

The electric sign with alternative parking .One my Garden Pharmacy and Palmer.
Filling in patches at Sunshine.
Toilet paper and soap for dispenser.

As always I appreciate all of the help from DPW.
Thank you
Patty Sneddon

Good morning Dave,

Just to let you know that I just received a phone call from a resident at 729 John Terr. He says that when his trash receptacle was picked up yesterday, there was remaining trash left in the bottom of the bin. He says that he called over to DPW yesterday and was told to leave his bin out and they will be back around to empty it. The bin has yet to be emptied. Thanks.

Hello,

I live at 16 Summerfield Pl, Neptune City, NJ 07753. Recycling was picked up this week, but the trash was NOT picked up on our block. There are still a bunch of blue trash cans sitting out on the curb awaiting collection.

Please advise when the trash can be picked up.

Thanks,
Andrew Mohan

All,

Please work together to get this completed. I spoke to PD about the sticks in the cones. We can get a few 1x2 and set it up to see if they feel it will be sufficient.
Pd will provide the signs that are getting posted.

Dave,

Thank you for meeting with us on Tuesday. Here is the list we discussed.

Trash cans at high School fields like 7 sets.

Dumpster at Sunshine.

Traffic horses to block off one side of streets in to sunshine.

Extra h/a and no parking signs.

Trash pick up on Sunday at Sunshine and high school.

One way sign and barricade at Sunshine.

Move goals from Sunshine to high school.

The electric sign with alternative parking .One my Garden Pharmacy and Palmer.
Filling in patches at Sunshine.
Toilet paper and soap for dispenser.

As always I appreciate all of the help from DPW.
Thank you
Patty Sneddon

Hey Gina,

We had a crew out there weed wacking the course just before Memorial Day. They also took down several large branches that were becoming issues on the course and adjacent sewer roadway. The course was sprayed one time, and is on the schedule to be sprayed again. (the sprayer has also been down due to parts on backorder. It was back up as of Friday afternoon).

Dave is correct that while we do try to get out there once a week, it does not always happen like we would like it too. I spoke to Frank from the Disc Golf club late Friday evening and advised him we would get out there this week and address any issues, including the knotweed.

I also informed him that the shed he has been asking for for their maintenance tools and lawnmower's is in the works now.

Subject: RE: Juneteenth Celebration @ Midtown Commons Park
Date: Thursday, June 13, 2024 1:58:00 PM

Good afternoon Dianna,

DPW will be able to take care of all these items minus power-washing the park – unfortunately the Department is severely under-resourced this week with several employees out for various reasons. Trash/recycle bins, barricades and port a potties will all be there tomorrow. The street has been swept and Township lots along West Lake Ave have been mowed. Please note that a check of the 8 electrical outlets on site determined that 2 are faulty; those have been labeled out of service.

Hope this helps – and that the weather forecast holds for you!

Subject: Juneteenth Celebration @ Midtown Commons Park

Good Morning All, I'm just following up on the park for our Juneteenth Celebration this Saturday 6/15/2024. We are in need a Port A Potty, garbage and recycling cans and power washing the park. A DJ and choir will be using electricity during the program from 10-1pm. The DJ will start playing respectfully at 9:45am. Please don't hesitate to call if needed

As always, the cooperation we receive from Public Works is outstanding and greatly appreciated.

Respectfully,

Dianna Harris [REDACTED]

Juneteenth Planning Committee (Chairperson)

Subject: FW: Fleet List

Good afternoon all,

Mayor York and Committeeman Stroud have requested a master fleet list that indicates to whom each vehicle is assigned. My assumption is that, at present, no such list exists, and beyond those employees who are contractually provided take-home vehicles, I am not aware that any other vehicles are specifically assigned to anyone.

That being said, for each Department can you please provide me with a list of any vehicles assigned to your Department (whether a take-home vehicle or otherwise) that are also assigned for whatever reason to a specific employee? Melissa can you please assist where applicable?

Thank you
Gina
