Re: Open Public Records Act (OPRA) Request January 22, 2026

Dear OPRA Requestor:

This letter constitutes the response of the Office of the Governor to the above-referenced OPRA request, which states in relevant part:

Accordingly, I request records sufficient to identify all individuals hired into the Office of the Governor during Governor Sherrill's administration, beginning January 20, 2026, through the present date. For each individual, please provide the individual's full name, official title, position held, start date, current or starting salary, and payroll status. For any individual hired during this period who has since separated from service, please also provide the date of separation and the reason therefor, to the extent such information is designated as a government record under OPRA. This request is limited to hires into the Governor's Office and does not seek records related to other executive branch agencies or departments.

Please see the attached list responsive to your request.

Your request is hereby complete and closed. This response does not waive or limit any other rights afforded by this Office under OPRA, which are expressly reserved. If you have any questions, please do not hesitate to contact this Office at (609) 777-2588.

Very truly yours,
