Re: Open Public Records Act Request

Dear Anonymous:

The District is in receipt of your request for records under the Open Public Records Act. Specifically, your request sought:

“Any and all data or reports that shows the number and percentage of graduating seniors from the class of 2023 taking the "early out" option.”

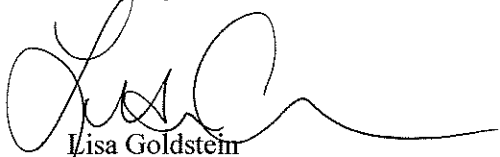

“Any and all data or reports on the number and percent of seniors graduating with more than 130 credits.”

“Any and all data or reports on the estimated number of students with 120 credits or less in the class of 2023 and are failing to graduating on time.”

Your request is granted in part and denied in part. Your request for “Any and all data or reports on the number and percent of seniors graduating with more than 130 credits” and “Any and all data or reports on the estimated number of students with 120 credits or less in the class of 2023 and are failing to graduating on time” is denied because the District has no records responsive to this request. See *Klock v. Newark Public Schools*, GRC Complaint No. 2013-242 (July 2014) (Finding that Custodian properly denied a request where there were no responsive documents); *Pusterhofer v. N.J. Dep’t of Education*, GRC Complaint No. 2005-49 (July 2005) (“The Custodian has certified that the requested record does not exist. Therefore, the requested record cannot be released and there was no unlawful denial of access”).

However, your request for “Any and all data or reports that shows the number and percentage of graduating seniors from the class of 2023 taking the "early out" option” is granted. Attached hereto please find responsive records. Please be advised that the records may have been redacted in accordance with the attorney-client privilege, the work-product doctrine, the privacy exception, the student information exception and/or the personnel records exception. See N.J.S.A. 47:1A-1; *L.R. v. Camden City Pub. Sch. Dist.*, 238 N.J. 547, 550 (2019).

Sincerely,

Lisa Goldstein
OPRA Secretary/Custodian of Records
