Monroe Township IT Department

Dear Monroe Township School District (Middlesex),

This is a request for public records made under OPRA and the common law right of access. I am not required to fill out an official form. Please acknowledge receipt of this message.

Records requested:

Any and all reports of graduation rates from the last five years, disaggregated by tuition and non-tuition students from Monroe and Jamesburg, respectively. This report should indicate how many students from each cohort were enrolled, and how many were able to graduate from the high school that year.

Yours faithfully,

Anonymous

Monroe Township IT Department

Dear Monroe Township School District (Middlesex),

As a follow-up to my last request, I would to to also receive the specific numbers of students enrolled each year from each town and how many of those students failed to graduate.

Yours faithfully,
