FY 2020 Municipal Aid Program

Dear Mayor Venezia:

Enclosed is one copy of the executed Agreement approved by the Department of Transportation for the above referenced project in the amount of \$252,252.00.

This project will be funded from the New Jersey Transportation Trust Fund Authority Act. State participation in the cost of the project is limited to 100 percent of the cost of the completed construction work including construction supervision, inspection and material testing, or the amount of the allotment, whichever is less.

16:20B-6.2 Contract deadline: (a) Municipal local aid agreements using both formula allocations and urban aid allocations shall specify that a contract must be awarded by the municipality within 24 months from the date of grant notification. At any time, but at a minimum of 30 days prior to the 24-month deadline, a municipality may voluntarily cancel a municipal local aid agreement and release the funds back to the Department.

Failure to make an award by the contract deadline or to comply with the requirements of the Municipal Aid Regulations 16:20B and the Terms and Conditions of Grant Agreement for State Aid to Counties and Municipalities will jeopardize the use of State funds on this project. It is further noted that the project must be in compliance with the Americans with Disabilities Act, ADA, requirements for accessibility. The Municipal Aid Regulations and terms and conditions can be found on the Local Aid Website at: [www.state.nj.us/transportation/business/localaid/pubs.shtml](http://www.state.nj.us/transportation/business/localaid/pubs.shtml)

Through the approval of this agreement and all future agreements, the sponsor is required to provide submission updates that are to be tracked through the on-line SAGE System. The Sponsor is also responsible for continued updates with respect to the construction administration/management phase of the project in the SAGE System. The preparation of contract documents shall use the current Standard Specifications as amended by the current edition of Special Provisions for Local Aid Projects. All requirements of this program can be found in the State Aid Handbook, available at the above website.

If you have any questions regarding the above, please contact Yatin Amin of this office at 856-414-8488.

Sincerely,

FY 2019 Municipal Aid Program

Dear Mayor Venezia:

Enclosed is one copy of the executed Agreement approved by the Department of Transportation for the above referenced project in the amount of \$245,130.00.

This project will be funded from the New Jersey Transportation Trust Fund Authority Act. State participation in the cost of the project is limited to 100 percent of the cost of the completed construction work including construction supervision, inspection and material testing, or the amount of the allotment, whichever is less.

16:20B-6.2 Contract deadline: (a) Municipal local aid agreements using both formula allocations and urban aid allocations shall specify that a contract must be awarded by the municipality within 24 months from the date of grant notification. At any time, but at a minimum of 30 days prior to the 24-month deadline, a municipality may voluntarily cancel a municipal local aid agreement and release the funds back to the Department.

Failure to make an award by the contract deadline or to comply with the requirements of the Municipal Aid Regulations 16:20B and the Terms and Conditions of Grant Agreement for State Aid to Counties and Municipalities will jeopardize the use of State funds on this project. It is further noted that the project must be in compliance with the Americans with Disabilities Act, ADA, requirements for accessibility. The Municipal Aid Regulations and terms and conditions can be found on the Local Aid Website at: [www.state.nj.us/transportation/business/localaid/pubs.shtml](http://www.state.nj.us/transportation/business/localaid/pubs.shtml)

Through the approval of this agreement and all future agreements, the sponsor is required to provide submission updates that are to be tracked through the on-line SAGE System. The Sponsor is also responsible for continued updates with respect to the construction administration/management phase of the project in the SAGE System. The preparation of contract documents shall use the 2007 Standard Specifications as amended by the 2011 Special Provisions for Local Aid Projects. All requirements of this program can be found in the State Aid Handbook, available at the above website.
