RE: OPRA Request dated January 1, 2019

Dear Mr. Iacovone:

This letter serves as a follow-up to my January 8th letter. Attached, please find the second and final portion of WCPO's response. Kindly note that this office does not maintain statistics for the information you seek. The only responsive documents that I am aware of have been attached, namely, (further) printouts from the computer program known as PROMIS/GAVEL. Please note that a search was performed as to the "gang criminality" query portion of your request and did not yield any results.

Thank you in advance for your time. Should you have any questions or concerns, please do not hesitate to contact me directly.

Respectfully submitted,

Matthew P. Tallia, Esq.
Acting Assistant Prosecutor/SDAG
